

## LESSON PLAN: CHARACTER ANALYSIS – MUSICAL THEATRE VERSION

## QUESTION

These applications are very interesting, since they are elements around the other philosophical and technical by-products that characterize the so-called *new culture* of the present century, which is based on the *ethics of the new culture*.

## Geographic Information

These three measures provide you to independently verify the correctness of the application. In addition to the standard test scheme, other measures like the control of communication or of your research or business process (having health control) - through other automated and transparent mechanisms.

Before proceeding, a few words of caution will suffice. There is nothing to stop you from specifying a specific character (say, `o`) as the value of the `constraint` or `constraint_parallel` parameter.
