Gregory Tweedie,Robert C. Johnson,2022-02-21 In this first book length treatment of MELF the authors assert that MELF represents an important contribution to our understanding of English as a Lingua Franca ELF in that existing ELF research has been limited to relatively low stakes communicative situations such as interactions in business academia internet blogging or casual conversations Medical contexts in contrast often represent

situations calling for exceptional communicative precision and urgency Providing both evidence from their own research and analysis from the limited number of existing studies the authors offer a counterpoint to the optimism regarding communicative success prevalent in ELF The book proposes a theoretical perspective on how the various features of healthcare communication serve as important variables in shaping interaction among speakers of ELF further enlarging our understanding of this emerging sub field Introducing Course Design in English for Specific Purposes Lindy Woodrow,2017-11-06 Introducing Course Design in English for Specific Purposes is an accessible and practical introduction to the theory and practice of developing ESP courses across a range of disciplines The book covers the development of courses from needs analysis to assessment and evaluation and also comes with samples of authentic ESP courses provided by leading ESP practitioners from a range of subject and global contexts Included in this book are The basics of ESP course design The major current theoretical perspectives on ESP course design Tasks reflections and glossary to help readers consolidate their understanding Resources for practical ESP course development Examples of authentic ESP courses in areas such as business aviation and nursing Introducing Course Design in English for Specific Purposes is essential reading for pre service and in service teachers and students studying ESP and applied linguistics Fairness, Justice and Language Assessment Tim McNamara,Ute Knoch,2019-02-21 This book has two goals each related to the validity of language assessment The first goal is to explore the difference between fairness and justice in language assessment The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access to education and employment immigrant status citizenship and other rights The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics in particular the models collectively known as Rasch measurement This book will have an enormous impact on the field of language assessment Using Rasch analysis models to explore and identify sources of unfairness the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results A real strength of the book is that it guides readers through analytical techniques in an accessible way Dan Douglas Professor Emeritus Applied Linguistics Program Iowa State University **The Illustrated London News** ,1861 *Write to Win: OET Pharmacy Edition : Authentic Case Notes and High-Scoring Letters for Exam Excellence* Jobin Thomas,2025-07-09 Are you preparing for the Occupational English Test OET Pharmacy writing sub test Write to Win OET Pharmacy Edition is your ultimate companion to mastering the writing module with confidence and achieving Band A scores This comprehensive guide offers authentic exam standard pharmacy case notes paired with expertly crafted Band A sample letters Designed specifically for pharmacists it helps you develop the essential skills to interpret case notes accurately organize your ideas effectively and write clear concise and professional letters that meet OET criteria Inside this book you ll find Detailed pharmacy case notes simulating real OET test conditions Step by step guidance on analyzing
