OGGI IN ITALIA is an introductory Italian program featuring a balanced four skills approach to language learning OGGI includes various perspectives of Italian culture ranging from its rich historical legacy to current changes affecting the country and culture This allows students to practice the basics of the language and develop oral communication skills in a variety of contexts while learning about contemporary Italian life and culture Important Notice Media content referenced within the product description or the product text may not be available in the ebook version *El-Hi Textbooks & Serials in Print*, 2005, 2005 *Fostering Culture Through Film* Elda Buonanno Foley, Patrizia Comello Perry, 2016-05-11 The perceived lack of understanding of cultural diversity in the American learning community has led instructors to challenge assumptions and stereotypes while addressing misconceptions Teachers of foreign languages and cultural studies in particular feel the need to redesign curricula and lesson plans to better serve the learning community of the twenty first century The common starting point resides in the paradox that exists in today's connected world while global access to information makes learners aware of the infinite variety of cultural diversity it does not however make them critical thinkers For this reason there is opportunity to reshape critical thinking within a more global perspective while enhancing the tools to identify interpret and compare the different cultural models that learners encounter The book demonstrates the theories and practical applications by which instructors use contemporary film to provide insightful readings on diverse local communities communities that form the basis of global culture This collection of essays will serve as a pedagogical tool and resource offering methods and examples of a communicative approach to analyze and integrate cultural diversities similarities and problems in the second language curricula methods that expose students to different cultural models while scaffolding their critical approach to multiple layers of common and specific values This work will encourage a dialogue and long lasting conversation on methodologies and teaching strategies rethought reapplied and remolded to the new learning environments **El-Hi Textbooks and Serials in Print**, 2006 **The ACTFL Foreign Language Education Series** American Council on the Teaching of Foreign Languages, 1979 **ADFL Bulletin** Association of Departments of Foreign Languages (U.S.), 1988 **El-Hi Textbooks & Serials in Print**, 2003, 2003 **Recording for the Blind & Dyslexic, ...
