Biblical Discipleship Study Guide: Essential Components for Attaining Spiritual Maturity Dr. Todd M.

Fink, 2016-05-18 This 16 Week Study Guide is exceptionally practical and life transforming It is taken from the main book Biblical Discipleship Essential Components for Attaining Spiritual Maturity However it is a stand alone book study that is designed to be used on its own Its purpose is to take the 14 core principles of discipleship and put them into practice Today we have many ways of defining success in life Some define it as being a sports hero others as being wealthy others as being popular and well liked and still others as being happy How does God define success He defines it as being spiritually mature

How to Study the Bible Greg Herrick, 2002-04 One of greatest joys in life is being able to read and understand a passage of scripture for yourself Such is the ultimate goal of this Bible study program We want you to be able to feed your own soul from Gods word and then turn around and help others as well George Burns once said Id rather be a failure at something I enjoy than a success at something I hate The good news for Christians is that these are not the only two options why not be a success at something you like How To Study the Bible is specifically designed to help you become a success at studying Gods word studying it faithfully honestly prayerfully obediently and intelligently *Themelios, Volume 38, Issue 3* D. A.
