Notes From Underground Vintage Classics:

Notes from Underground Fyodor Dostoevsky,1993 Award winning translators Richard Pevear and Larissa Volokhonsky give us a brilliantly faithful rendition of this classic novel in all its tragedy and tormented comedy In this second edition they have updated their translation in honor of the 200th anniversary of Dostoevsky s birth One of the most remarkable characters in literature the unnamed narrator of Dostoevsky s most revolutionary novel is a former official who has defiantly withdrawn into an underground existence In full retreat from society he scrawls a passionate obsessive self contradictory narrative that serves as a devastating attack on social utopianism and an assertion of man s essentially irrational nature

Belachew Gebrewold,2024-07-04 Postcolonial African migration to the West is not only a spatial movement in search of material and physical security but also an expression of the mimetic desire for being by imitating the West or whitening oneself against the background of the dehumanizing historical legacies of slavery colonialism and Western dominance It is a flight from oneself from perceived inadequacies To migrate to the West is an expression of the desire for being not through detachment from the fascinating West but rather through adoration and imitation of its lifestyle beauty ideals and soft and hard power and by living in the West The model the West builds ubiquitous anti migrant physical and virtual fences which the imitator tries to overcome The more the model re strengthens these fences the more the imitator tries to scale them The anti migrant fences are the meeting point of the model s perceived superiority admirability and desirability on the one hand and

on the other hand the imitator's inferiority complex and inner tension between the paradoxical desire for detachment from the model and its passionate imitation at the same time This book argues that African migration to the West will continue even in the absence of poverty conflicts and climate change because it is also about the mimetic desire for being [Clinical Lessons on Life and Madness](#) Heitor de Macedo,2018-10-25 The author of Clinical Lessons on Life and Madness Dostoevsky's Characters draws on Dostoevsky's universe to illuminate psychoanalytic theory and practice Using Dostoevsky's characters as case studies the author discusses the various psychoanalytic concepts they embody and shows how these insights can be applied to therapeutic understanding By considering the people who populate Dostoevsky's world as personifying a whole spectrum of human possibilities and modes of relation Heitor O Dwyer de Macedo's discussion of the characters including those from Notes from Underground Crime and Punishment and The Brothers Karamazov allows him to explore fundamental issues constitutive of clinical practice such as trauma fantasy perversion and madness Clinical Lessons on Life and Madness will provide an important resource for psychoanalysts with an interest in literature as well as students of literature seeking a psychoanalytic interpretation [Dostoevsky's Political Thought](#) Richard Avramenko, Lee Trepanier, 2013-05-23 Recognized as one of the greatest novelists of all time Fyodor Dostoevsky continues to inspire and instigate questions about religion philosophy and literature However there has been a neglect looking at his political thought its philosophical and religious foundations its role in nineteenth century Europe and its relevance for us today Dostoevsky's Political Thought explores Dostoevsky's political thought in his fictional and nonfictional works with contributions from scholars of political science philosophy history and Russian Studies From a variety of perspectives these scholars contribute to a greater understanding of Dostoevsky not only as a political thinker but also as a writer philosopher and religious thinker
