Dominic Watt, 2014-10-12 Identifying and examining political socio psychological and symbolic borders Language Borders and Identity encompasses a broad geographically diverse spectrum of border contexts taking a multi disciplinary approach by combining sociolinguistics research **[Biography-Driven Culturally Responsive Teaching](#)** Socorro G. Herrera, 2022 This popular resource has transformed classrooms for thousands of teachers by providing how to guidance for success with

culturally and linguistically diverse CLD students. It illustrates how to use strategies that recognize and leverage all the cultural and linguistic assets that students bring to their learning. This new edition situates biography driven instruction at the intersection of culturally responsive teaching, culturally sustaining pedagogies, and antiracist education. Herrera provides updated vignettes and student work artifacts to reflect the diversity of learners in today's historically and culturally situated spaces. Teaching strategies, tools, and interactional processes provide practical proven ways to restructure classrooms for relational equity. Increased attention on each learner's biopsychosocial history will help educators to cultivate classroom ecologies that nurture and challenge CLD learners to reach their potentials. With lesson planning and strategy templates, tips for grouping students, teacher reflections, assessment aids, a classroom observation tool, and more features to foster classroom and schoolwide change, this edition shows teachers and administrators how to take the next steps toward critical consciousness and authentic relationships that will accelerate content learning and foster more extensive use and development of language. Book Features: Lesson planning guide that can be used with any curriculum; Strategy tools and templates to foster engaged learning; Voices of CLD families that highlight benefits of asset driven practices; Journaling process for critical reflection on assumptions and perspectives; Book study discussion guide to scaffold collaboration and goal setting; Classroom observation tool for coaching, mentoring, and self assessment.

Attitudes towards English in Europe
Andrew Linn, Neil Bermel, Gibson Ferguson, 2015-07-24
The status of English in Europe is changing and this book offers a series of studies of attitudes to English today. Until recently English was often seen as an opportunity for Europeans to take part in the global market but increasingly English is viewed as a threat to the national languages of Europe and the idea that Europeans are equally at home in English is being challenged. This book will appeal to anyone interested in global English.

[The Leading Edge of Early Childhood Education](#) Nonie K. Lesaux, Stephanie M. Jones, 2021-02-23
The Leading Edge of Early Childhood Education aims to support the effort to simultaneously scale up and improve the quality of early childhood education by bringing together relevant insights from emerging research to provide guidance for this critical fledgling field. It reflects the growing recognition that early childhood experiences have a powerful effect on children's later academic achievement and long term life outcomes. Editors Nonie K. Lesaux and Stephanie M. Jones bring together an impressive array of scholarly contributors. Topics include creating learning environments that support children's cognitive and emotional development; identifying and addressing early risk factors using data to guide educators' practice; and capitalizing on the use of technology. Recent years have seen a surge of local, state, and national initiatives aimed at expanding and improving early childhood initiatives, particularly regarding access to preK programs. The Leading Edge of Early Childhood Education promises to be a valuable resource for those charged with enacting the next level of work in this critical area.
