Slavery and the American Founding Jude M. Pfister, 2025-03-21 Since 1776 the Founding generation has been portrayed as creators of a new world where liberty and freedom were the inherent birthright of all peoples The Founders although brilliant were nonetheless human and fashioned a country conceived in liberty and freedom for themselves The enslaved women and other minorities were not part of the original Founding documents All men created equal was a political statement not some ethereal message of Enlightenment understanding This book demonstrates that to understand the American Founding is to understand the totality of America The American Founding and the so called compromises forged by state delegates to ensure national unity despite existing alternatives that could have rejected enslavement defined the period from 1765 to 1800 and planted the seeds for a horrific civil war Two of the most debated words from the Age of Enlightenment freedom and liberty not only made America independent but also made it dependent on an execrable system rejected by most of the European thinkers who inspired the uprising against Britain
