Speed Reading: (Beginner's DO IT YOURSELF) Kimberly Brian, 2017-08-26 Have ever wondered if you could get through your study material or official papers quickly with good retentive memory and comprehension that's just what SPEED READING is all about. Generally people get through their volumes of paper work through skipping the text so as to finish reading within a speculated period of time. The only way to make such voluminous paper work not to be boring and look so long is to learn speed reading. Won't you go for beginner's guide techniques tips software DIY that would make you to accomplish four times as much work when you increase the way to read? For instance if it normally takes you 2 hours to finish a particular paper work and then you equip yourself with speed reading you could accomplish it in 40 minutes. Imagine extra 1 hour 20 minutes for other things every day. Be aware that like any other skill speed reading is not what you learn overnight even if you are a genius. It takes time and practice. This skill is a great tool for managing information and helping you in having more knowledge and be efficient. Due to large volumes of work demanded from us today either as students or professionals the emphasis on time and getting things done on time has become pronounced. The way to keep you up to the task is to increase your speed reading capacity in going over your paper work in double check. This book will let you know that speed reading is not for a few people. It is for everyone who is ready to learn it's just to tap that part of brain to harness the potential. You have to remove those mental blocks in your mind that prevent you from learning speed reading. Speed reading is about focus, exercises and tips to increase your speed reading. Speed reading is for Students, teachers, employees, managers. Speed reading is about practice, no substitute for practice. Speed Reading Chief Cognitive Studies Unit Laboratory of Clinical Science Alex Martin,Àlex Martín,2015-12-08 Imagine that you have just been given the assignment of reading a book with hundreds of pages You have only two days to complete this task and produce a written report about the reading Would you be able to accomplish this in a timely and effective manner The truth is not many people are able to leverage such an accomplishment In fact it is assumed that only expert readers can do this leaving the average reader struggling to get through even a few pages of a work at a time To compensate for this researchers have long debated that speed reading or the ability to read rapidly by combining phrases and sentences all at once is the key to acquiring vast amounts of information in a shorter period of time It has also been suggested that this technique is able to improve reading comprehension when implemented effectively Today you can find several online courses and applications that train individuals on speed reading These courses aim to help readers improve their ability to comprehend materials without spending extensive time on the text A strategy such as this one is truly effective for individuals that are required to read a great deal of material Consider college students or graduate students The work load is almost certain to be overwhelming and professors are less inclined to sympathize with a student simply because she is required to read many books at a time Instead it is up to the student to develop methods and strategies that will enable him to move through the material much more quickly while still being able to grasp the information s content effectively Thus speed reading is a key element in producing these types of results This is not to say that this concept is widely accepted among all those who have studied this phenomenon As you will learn in this book as well as throughout your continued study of speed reading there are many researchers who believe that speed reading is ineffective in its ability to help a person retain information For many experts those who oppose speed reading are considered to be old fashioned myth based researchers who have not fully understood the positive effects of speed reading To these individuals the ones that oppose speed reading the reader can and will miss important details that are often grasped by those who take their time in reading a text Theoretically it would be impossible for a reader to comprehend the material effectively if time is not taken to focus or fixate on each word This idea however could not be further from the truth In fact there is substantial evidence to validate that one s inability to speed read greatly hinders his progress in acquiring the information presented in a text Quintessentially and for the sake of this book we will explore the many benefits of speed reading and will

discuss various strategies that one can use to improve reading comprehension and completion *Learn to Read with Great Speed* Michal Stawicki,2013-10-30 Looking for a no nonsense approach to speed reading Are you too busy to read as much as you would like This book is for YOU Do you love to read Do you want to read even more This book is for YOU You don t even know how fast you read This book is definitely for YOU Would you like to quadruple your reading speed in just 10 MINUTES Then you need a miracle No methodology can possibly have you quadrupling your reading speed in just minutes That s no more than a marketing gimmick However reading speed can be easily increased by sustained use of a few basic and simple techniques I ll show you how you can REALLY increase your reading speed and how to truly make it happen in only 10 minutes a day The techniques I share can be implemented with whatever you are reading and in any environment home office public transportation Not just for adults In this book you ll also discover how I read 50% more books than I did a year ago in the same amount of reading time and how my 10 year old son more than doubled his reading speed You ll also learn about speed reading obstacles and techniques choose the techniques that suit you best learn about my 10 minute philosophy and 10 minute speed reading program find links to 8 free online speed reading resources adapt my program to your needs You get all of this and more in under 10 000 words meaning you can begin improving your reading speed today You will read more efficiently retain more information and most of all you will enjoy reading more Get started immediately Scroll to the top of page download *Learn to Read with Great Speed* now and read faster with each passing day and get ready to supercharge your reading

How to Read Faster Leona Sanders,2015-07-20 Have you ever heard of those people who can read one whole page in just a few seconds I m talking about people who can read 700 900 or even more words per minute Doesn t that sound so cool When you compare your 250 300 words per minute you seem to be reading at a snail s pace But not to worry you can learn how to read that fast too This book is designed to take you through an easy to follow speed reading course and by the end of it you will be able to read much faster than you do now while at the same time fully comprehending every word First I m going to share with you insight into the basics of speed reading Then you will be instructed to prepare for the course and I ll show you some exercises and techniques that will help train your eyes and mind which will consequently increase your reading speed That s not all You will even get one bonus chapter that will reveal tips that will help you whenever you need to read something without enough time to read the material in its entirety What are you waiting for With this book you have all you need to become a true speed reader Let s get started
