Operations Management Krajewski:

Operations Management Lee J. Krajewski, Larry P. Ritzman, 1999 In this text the authors balance the presentation of both corporate strategy and analytical tools by presenting decision making within the context of a firm's competitive priorities. A technology focus is new to this edition with Internet research exercises, expanded PowerPoint slides for the teacher, and support student software. Real world examples demonstrate how manufacturing and service organizations meet operations challenges and Internet activities direct students to evaluate real world software. This edition features a cross functional perspective that demonstrates how operations is linked to other functional areas such as IT, marketing, finance, and HR.
