Crandall,1990 Design of a period batch control planning system for cellular manufacturing Jan Riezebos,2001 **The British National Bibliography** Arthur James Wells,2003 **Production and Operations Management** Norman Gaither,1996 This work on the retailing firm is written from the perspective of senior management **Modern Production/operations Management** Elwood Spencer Buffa,1980 Provides a conceptual and analytical operations management framework for both manufacturing and service firms The thrust of this new edition is more quantitative in approach and more comprehensive in its discussion of strategic issues Provides treatments of multi criteria decision methods quality control and operations strategy not found in other texts Divided into four sections the first convincingly demonstrates that the operations function is of paramount importance in the success of a firm The second section presents quantitative models and the third and final sections discuss the design of operations systems advanced technologies strategy formulation and implementation **Subject Guide to Books in Print** ,1997 Applied Production and Operations Management James Robert Evans,1990 Have you ever wondered what your dog is thinking Meet one funny dog Enzo the lovable mutt who tells this story Enzo knows he is different

from other dogs most dogs love to chase cars but Enzo longs to race them He learns about racing and the world around him by watching TV and by listening to the words of his best friend Denny an up and coming race car driver and his daughter Zo his constant companion Enzo finds that life is just like being on the racetrack it isn't simply about going fast And applying the rules of racing to his world Enzo takes on his family's challenges and emerges a hero In the end Enzo holds in his heart the dream that Denny will go on to be a racing champion with his daughter by his side For theirs is an extraordinary friendship one that reminds us all to celebrate the triumph of the human and canine spirit This is a special adaptation for young people of the acclaimed New York Times bestselling adult novel *The Art of Racing in the Rain* Human Performance in Planning and Scheduling B L MacCarthy, John R. Wilson, 2003-09-02 Understanding how to make the best of human skills and knowledge is essential in the design of technology and jobs particularly where these involve decision making and uncertainty Recent developments have been made in naturalistic decision making distributed cognition and situational awareness particularly with respect to aviation transport and strategic planning the nuclear industry and other high risk industries Despite the integration of computer based support systems in production scheduling in recent years the reality is that most enterprises consist of reactive re scheduling involving a high degree of human involvement It is often with the insight knowledge and skills of people that scheduling skills can function with any degree of success *Human Performance in Planning and Scheduling* covers many industries including clothing steel machine tools paper board and the automobile industry Using international case studies from various manufacturing industries they highlight the fact that the human scheduler is a pivotal element in the scheduling process Each section of the book includes an introduction with an overview of the material to follow clearly identifying themes discussion points and highlights inter connections between the authors work *Systems Analysis and Design* Kenneth E. Kendall, Julie E. Kendall, 2008 Dynamic comprehensive coverage makes this the perfect book on systems analysis and design with a reader friendly presentation of development methods tools and techniques A variety of review questions and problems an ongoing case study and an Internet based case study offer learners an understandable and motivating look at the SAD field For production supervisors and other business personnel in similar positions who want a working knowledge without the in depth command of information systems The Cumulative Book Index, 1999
