Oppression and Liberty. (Translated From the French by Arthur Wills and John Petrie). Simone Weil,1958 Oppression and Liberty Simone Weil,2013-01-11 The remarkable French thinker Simone Weil is one of the leading intellectual and spiritual figures of the twentieth century A legendary essayist political philosopher and member of the French resistance her literary output belied her tragically short life Most of her work was published posthumously to widespread acclaim Always concerned with the nature of individual freedom Weil explores in Oppression and Liberty its political and social implications Analyzing the causes of oppression its mechanisms and forms she questions revolutionary responses and presents a prophetic view of a way forward If as she noted elsewhere the future is made of the same stuff as the present then there will always be a need to continue to listen to Simone Weil *Oppression and Liberty.* (Translated From the French by Arthur Wills and John Petrie). The Cultural Politics of Opera, 1720-1742 Thomas McGahey,2024-09-24 Explores the intersection of the world of opera literature and partisan politics to show how Italian opera was put to use in the culture wars of the day This last of a trilogy of books on opera and politics in Britain examines the cultural politics of opera during the ministerial reign of Sir Robert Walpole from 1720 to 1742

The book explores the intersection of the world of opera literature and partisan politics to show how Italian opera with its associations with the court ministry and Britain s social political elite was put to use in the culture wars of the day how Italian opera was used for partisan political advantage how political work could be accomplished by means of opera It shows that attacks on opera had ulterior targets The book surveys a range of often overlooked verse and prints to show how critique or satire of opera were a means for oppositional writers to delegitimize the Walpole ministry Polemicists framed opera as a consequence of the corruption luxury and False Taste generated by Walpole s ministry It closes in the watershed year 1742 Handel had produced the last of his Italian operas the previous year Walpole fell from power and Alexander Pope published the last book of his Dunciad project
