Allan J. Kimmel, Philip J. Kitchen, 2016-12-19 This collection examines a key new development in the contemporary marketing landscape the relationship between the informal exchange of information and advice among consumers known as word of mouth WOM and emerging social media Whereas WOM has been around since as long as people have engaged in conversations its transmission is no longer limited to face to face interactions over the clothesline and across backyard fences Today the dissemination of WOM through online channels such as Facebook Twitter LinkedIn YouTube channels blogs and consumer forums has significantly altered the alacrity by which product and service messages are spread across a dramatically expanded consumer audience As marketing practitioners have come to recognize the power of online WOM in terms of its impact on consumer beliefs attitudes and purchasing behavior effective strategies for leveraging the consumer conversation require greater insight and understanding of WOM and social media Towards that end this book offers ground breaking research from an impressive array of internationally renowned marketing researchers on the nature and dynamics of WOM transmitted through social media channels advancing our understanding of consumer influence which to date has largely focused on offline WOM Among the topical issues covered are best practices for marketing practitioners the conversational nature of online WOM the dynamic interplay between online and offline WOM WOM measurement and monitoring and cross cultural influences on WOM This book was originally published as a special issue of the *Journal of Marketing Communications* *Social Media Marketing on Instagram. Exploration of Strategic Perspectives* Lisa Jessen, 2018-06-20 Master s Thesis from the year 2018 in the subject Communications Public Relations Advertising Marketing Social Media grade 1 7 University of Potsdam language English abstract With 800 million users worldwide Instagram is one of the world s leading social media platforms The reason for the increasing relevance of Instagram is its mobile local social and visual character which reflects how individuals are currently using social media and will continue to do so in the future Instagram s combination of emotional visual content story telling and interaction with the community also makes it a

platform that allows brands to differentiate themselves from others to become unique in what are often very saturated markets While Instagram is a new application and previous research focuses mainly on long established social media platforms such as Facebook this thesis aims to explore the various strategic perspectives of successful social media marketing on Instagram by developing a theoretical frame work and presenting the practical strategies of three very different organisations in a multiple case study design The framework and the case studies prove that the five identified social media dimensions content marketing engagement marketing influencer marketing hashtags and Instagram advertising are applied in practice but are adapted very individual on each organisation its goals and its target group
