Museum Catalogue of printed Books ,1881 **Catalogue of the Library of Jared Sparks** Jared Sparks,1871 *The Life of Col. Seth Warner* Daniel Chipman,2023-04-20 Colonel Seth Warner played a conspicuous part in the War of Independence third in command of the expedition to capture Fort Ticonderoga at the Siege of Quebec the battles of Hubbardton and Bennington and the Saratoga campaign However his merits and exploits were overshadowed by his colleague sometime commander and political rival Ethan Allan In the late 1770s and early 1780s Ethan Allen who had spent three years as a prisoner of war his brother Ira and Governor Thomas Chittenden dominated Vermont politics and Warner s influence waned In this volume distinguished Vermont historian Daniel Chipman records the real and true story of this American hero SEVERAL years since I observed that great injustice had been done to the character of Seth Warner by certain unintentional errors in existing history I observed also that historians had omitted to state his services so fully as to enable the reader duly to appreciate his merits and feeling a strong desire to correct those errors supply those omissions and transmit his character to posterity in its true light I undertook to collect materials for a memoir of Seth Warner but I was so unsuccessful that I was compelled to abandon the object Although I knew Warner personally only as a boy knows a man yet from those who were both his and my contemporaries I had a full knowledge of the man but I could not think it either useful or proper to portray his character on my own authority unsupported by evidence
