**The Lives of Muhammad** Kecia Ali, 2014-10-07 Kecia Ali delves into the many ways the Prophet s life story has been told from the earliest days of Islam to the present by both Muslims and non Muslims Emphasizing the major transformations since the nineteenth century she shows that far from being mutually opposed these various perspectives have become increasingly interdependent

**Demystifying Shariah** Sumbul Ali-Karamali, 2020-08-11 A direct counterpoint to fear mongering headlines about shariah law a Muslim American legal expert tells the real story eliminating stereotypes and assumptions with compassion irony and humor Through scare tactics and deliberate misinformation campaigns anti Muslim propagandists insist wrongly that shariah is a draconian and oppressive Islamic law that all Muslims must abide by They circulate horror stories encouraging Americans to fear the takeover of shariah law in America and even mounting anti shariah protests with zero evidence that shariah has taken over any part of our country That s because it hasn t It would be almost funny if it weren t so terrifyingly wrong as puzzling as if Americans suddenly began protesting the Martian occupation of Earth *Demystifying Shariah* explains that shariah is not one set of punitive rules or even law the way we think of law rigid and enforceable but religious rules and recommendations that provide Muslims with guidance in various aspects of life Sumbul Ali Karamali draws on scholarship and her degree in Islamic law to explain shariah in an accessible engaging narrative style its various meanings how it developed and how the shariah based legal system operated for over a thousand years She explains what shariah means not only in the abstract but in the daily lives of Muslims She discusses modern calls for shariah what they mean and whether shariah is the law of the land anywhere in the world She also describes the key lies and misunderstandings about shariah circulating in our public discourse and why so many of them are nonsensical This engaging guide is intended to introduce you to the basic principles goals and general development of shariah and to answer questions like How do Muslims engage with shariah What does shariah have to do with our Constitution What does shariah have to do with the way the world looks like today And why do we all Muslims or not need to care
