In story after story in this brilliant new collection Alice Munro pinpoints the moment a person is forever altered by a chance encounter an action not taken or a simple twist of fate Her characters are flawed and fully human a soldier returning from war and avoiding his fiancée a wealthy woman deciding whether to confront a blackmailer an adulterous mother and her neglected children a guilt ridden father a young teacher jilted by her employer Illuminated by Munro's unflinching insight these lives draw us in with their quiet depth and surprise us with unexpected turns And while most are set in her signature territory around Lake Huron some strike even closer to home an astonishing suite of four autobiographical tales offers an unprecedented glimpse into Munro's own childhood Exalted by her clarity of vision and her unparalleled gift for storytelling *Dear Life* shows how strange perilous and extraordinary ordinary life can be Budhi, 2001 Kinaadman, 1980 **The Tribune**, 1942 *The Coldspring Journal*, 1976 The Passion of Music and Dance William Washabaugh, 1998-06-01

The late nineteenth century witnessed the birth and popularization of a number of highly emotional musical styles that played on the eagerness of modern Europeans and Americans to toy with the limits of sanity and to taste the ecstasies of living on the edge This absorbing book explores these popular passionate musical styles which include flamenco tango and rebetika and points out that they arose as well intentioned intellectuals co-opted the emotional experiences most closely associated with women In drawing those experiences out of female practice they defined objectified and turned them into strategies of domination the deepest impact of which was felt ironically by modern women In bridging anthropology sociology cultural media body and gender studies this book broadens the base of theory which has ignored the transnational world of Latin and Mediterranean popular culture and makes a powerful statement about the intersection of nationalism sexuality identity and authenticity *Dear Life* Alice Munro, 2012-10-13

With her peerless ability to give us the essence of a life in often brief but spacious and timeless stories Alice Munro illumines the moment a life is shaped the moment a dream or sex or perhaps a simple twist of fate turns a person out of his or her accustomed path and into another way of being Suffused with Munro's clarity of vision and her unparalleled gift for storytelling these stories set in the world Munro has made her own the countryside and towns around Lake Huron about departures and beginnings accidents dangers and homecomings both virtual and real paint a vivid and lasting portrait of how strange dangerous and extraordinary the ordinary life can be
