**In a word:** LO4D.com was created because of the rampant spread of virus- and malware-infected software on the largest download portals. 92% of the top 25 download directories do not test for viruses, while 66% of those that do test attempt to infect your system with multiple toolbars, spyware applications and other ghastly 'enhancements' anyways. LO4D.com is an oasis in a desert of a very mean Internet indeed.

Our mission is to provide netizens with high quality software which has been tested with some of the best antivirus applications. Pure and simple.
