Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are
made available to the public in good condition in order to preserve their cultural heritage Trench Warfare Joseph Shuter
Smith,1917 **Trench Warfare** JOSEPH SHUTER. SMITH,2020-06-15 Joseph Shuter Smith 1893 1950 was an American
born in Philadelphia who enlisted in the 29th Vancouver Battalion in the fall of 1914 He saw service along the Belgian front
and in August 1916 was given a commission in the British Army At the time this manual on trench warfare was published in
1917 he was serving as a Second Lieutenant in the infantry service with the British Expeditionary Force on the French front
The information set forth in his manual was garnered from different instruction courses and his own observations and
practise whilst on active duty and covers all aspects of trench building maintenance communication use of weapons etc
together with notes on the duties of platoon commanders and officers Illustrated with diagrams Shuter was also the author of
Over There and Back in Three Uniforms Being the Experiences of an American Boy in the Canadian British and American

believe and we concur that this work is important enough to be preserved reproduced and made generally available to the
public We appreciate your support of the preservation process and thank you for being an important part of keeping this
knowledge alive and relevant Trench Warfare J. S. Smith,2015-08-06 Excerpt from Trench Warfare A Manual for Officers
and Men It is a safe bet that when the German army started for Paris they had plans for use in the event of disaster The

disaster occurred and a new type of warfare requiring the highest courage skill and endurance was born I say born because although trench warfare was known before it died in birth compared to this war for the amount of science energy and variety of weapons used More earth has been removed by a combination of man pick and shovel in making these trenches than was excavated to make the Panama Canal possible and in less time It is my object in this book to give a faint idea and knowledge of the trenches and to approximately explain the way warfare is carried on and I offer the information contained herein as a basic foundation on which to use the further knowledge you will gain as an officer and which for obvious reasons I will not and cannot give here About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
