*Men on Strike* Helen Smith,2013 Smith explores an American society that has become anti male Sensing the backlash men are consciously and unconsciously going on strike dropping out of college leaving work and avoiding marriage and fatherhood But they are also starting to fight back against the backlash [Summary of Helen Smith's Men on Strike](#) Milkyway Media,2022-02-09 Buy now to get the main key ideas from Helen Smith s Men on Strike Where did all the decent men go is a question you hear everywhere But it s the wrong question to ask The better question is Why did all the decent men go on strike In Men on Strike 2013 Helen Smith offers an answer Smith asserts that there is a real war on men in modern culture The majority of men might not discuss it or even believe that a democratic country would judge them without due process or accountability Yet in today s anti male society this is happening to most males As a result men have opted out going on strike rather than having to face a ruthless attack on their gender Smith details the legal educational and cultural war on men and suggests how society can remedy it warning that if we don t our culture will be forever changed [Why Men Strike](#) Samuel L.
