Eirini Bazaki, Vanissa Wanick, 2023-01-01 This book provides a comprehensive overview of digital trends innovations and strategies in fashion retailing. As consumers adopt new technologies and ways of shopping, fashion brands are constantly looking for ways to innovate and achieve digital transformation. Combining theory with practice, the authors take a deep dive into the impact of digital technologies on fashion brands' communication and social media strategies on consumer behaviour and customer participation strategies and on entrepreneurship and e-tailing strategies. The book covers topics such as Artificial Intelligence AI, Virtual Reality VR, Augmented Reality AR, fashion recommender systems, virtual fitting rooms, customer models, gamification, online shopping, mobile shopping, videogames, digital media, and virtual worlds. The book also explores the concepts of cocreation, storytelling, and interactivity in real life crowdfunding campaigns and in the digital world. Bringing a cutting edge insight into the state of the fashion business, this book will help scholars and practitioners in fashion retailing discover how to digitalise and gamify products, services, experiences, and open new enterprising avenues through innovative strategies, leadership, and management.
