The 3P's: Productivity, procrastination and perfectionism and how they're connected to your unique organizing style. How you can finally become clutter free simply by knowing yourself better. *Release the Clutter* Kim Eagles, 2015-04-24. Are you tired of being overwhelmed, depressed and feeling out of control in your life? If I told you that it is possible to clear the way towards making positive changes, is that something that would interest you? If you answered yes to both of these questions, then this book is for you. It will provide you with an awareness of different types of clutter that exist that may be weighing you and your family down. *Release The Clutter* Offers you a holistic approach to clearing the clutter in your life. You will gain clarity of different types of external and internal clutter. Realize how clutter is affecting you. Learn how to let go of your clutter in a practical yet holistic manner. Get organized, keep clutter away and maintain that order for years to come. Through the journey of writing this book, one of the life lessons I have learned is that unless I change something within me, nothing changes for me. It is my mind, emotions, spirit and my body that affect the outcome of any situation. My actions reflect my internal beliefs and no amount of outside learning can be effective for me until I learn to hear myself and change my programming. This book is not just another how-to book; it is mine and my clients' stories on how we moved forward through the difficult and painful task of changing our programming to effect lasting change. It is about identifying what we are thinking about and being able to sort through the internal and external clutter to release that which no longer serves us. As you read this book, I ask that you keep an open mind to the ideas and stories. Stay focused on your thoughts as in my experience, the things that disturb me the most are the ones that block my progress; they are my triggers. By taking the time to think about these triggers, I have been able to remove the power those thoughts had on my actions in effect changing my results. You will only get out of this book what you put into action for yourself. I cannot do the work for you, but hope that my words inspire you to take action. I promise you that if you put the effort into doing the challenges in each chapter, your life will shift and you will move forward towards positive change. No person, no place and no thing has any power over us for we are the only thinkers in our mind. When we create peace and harmony and balance in our minds, we will find it in our lives. Louise L Hay. *Beyond Tidy* Annmarie Brogan, Marie Limpert, 2020-06-16. The Top Ways to Declutter, Organize and Get your Life Back in Place.
