**Inequality** D. Stanley Eitzen,2007 A Discourse Upon The Origin And The Foundation Of The Inequality Among Mankind Jean-Jacques Rousseau,2004-08-01 Jean Jacques Rousseau was born at Geneva June 28 1712 the son of a watchmaker of French origin His education was irregular and though he tried many professions including engraving music and teaching he found it difficult to support himself in any of them The discovery of his talent as a writer came with the winning of a prize offered by the Academy of Dijon for a discourse on the question Whether the progress of the sciences and of letters has tended to corrupt or to elevate morals He argued so brilliantly that the tendency of civilization was degrading that he became at once famous The discourse here printed on the causes of inequality among men was written in a similar competition Please Note This book is easy to read in true text not scanned images that can sometimes be difficult to decipher The Microsoft eBook has a contents page linked to the chapter headings for easy navigation The Adobe eBook has bookmarks at chapter headings and is printable up to two full copies per year Both versions are text searchable **What is Inequality & why is it Important?** Open University.
