*Law and Business of the Sports Industries: Common issues in amateur and professional sports* Robert C. Berry, 1986

**Administration of Intercollegiate Athletics** Erianne Weight, Robert Zullo, 2015-01-05 Administration of Intercollegiate Athletics brings together some of the most knowledgeable professionals in the field of athletics administration to create an essential resource for all who aspire to work in this exciting field. This wide ranging compilation of vital material on the subject of athletics administration is the most comprehensive textbook available to instructors of upper level courses in sport management and a valuable resource for those in Division I Division II Division III junior college and National Association of Intercollegiate Athletics levels. This textbook takes a unique approach in the domain of sport education. Contributors to the text, chosen for their widely acknowledged expertise in collegiate athletics administration, provide students with access to ideas from top researchers in the field to incorporate into their evolving professional philosophy. The text offers practical considerations and applications for financial operations, budgeting, marketing, corporate sponsorship, safety and risk assessment, ticketing, licensing and alumni relations. These topics, in addition to those on media relations, facility and event management and athlete services, are unparalleled to any other text in the industry. There is detailed information on expectations in academics and status of standards for athletic eligibility and discussions of the importance of publicity and promotion, public relations and media production in today's college athletics. Learning tools in Administration of Intercollegiate Athletics enrich students' understanding. Leadership Lessons provide key points inspiring a leadership mind set that is critical to success in today's world of college athletics administration. Opening scenarios and chapter objectives create a framework for learning, highlighting critical points and translating material to a real world setting. Sidebars and case studies call out important concepts from readings. Industry Profile Q&As offer students a chance to see how working administrators reached their present roles. Learning activities for each chapter present real life situations and direct students in applying what they have learned. Instructor ancillary materials include a test package for evaluating students' comprehension and an image bank of content for lecture slides. With content developed in partnership with working practitioners, the information presented in Administration of Intercollegiate Athletics is foundational knowledge essential to professional administrators. After reading this text, students will understand each unit in an athletics department and be able to hit the ground running in any one of these units while understanding the broader organizational context.

USA Today Index, 1995      The Standard Periodical Directory, 2003      Cincinnati Magazine, 1990-10 Cincinnati Magazine taps into the DNA of the city, exploring shopping, dining, living and culture and giving readers a ringside seat on the issues shaping the region.

Sports and Their Fans Kevin G. Quinn, 2014-01-10 Though Americans spend more than 25 billion a year on sports and sporting events, this book argues that the influence of sports on our lives is even more profound than this huge figure would seem to suggest. Exploring such topics as the role of sports in the creation of mass culture, cheating, the abuse of illegal

drugs the strange and fascinating role that numbers play in sporting events and the future of spectator sport this book surveys the outsized impact that sports have on American culture The author draws from new work in such fields as history economics politics sociology psychology and ethics to support his claims Instructors considering this book for use in a course may request an examination copy here      **Ulrich's International Periodicals Directory** Carolyn Farquhar Ulrich,2001
