

ACCIDENT/INJURY REPORT

This form is to be used to report workplace accidents to include: near misses, injuries, illnesses, or exposures. The person reporting will complete Part I of this report. The supervisor or instructor will conduct a thorough review and complete Part II. The Safety Officer will investigate the event, identify a primary cause, if possible, add any written recommendations and distribute the form when completed.

Do not move equipment involved in a work-related accident involving a death, inpatient hospitalization, amputation, or loss of an eye. The equipment must not be moved until a representative of the Department of Labor and Industries investigates the accident and releases the equipment unless moving the equipment is necessary to: a) Remove any victims or b) Prevent further incidents and injuries.
