Middle Distance Running Classic Revival:

A History of Seafaring in the Classical World (Routledge Revivals) Fik Meijer, 2014-06-17 A History of Seafaring in the Classical World first published in 1986 presents a complete treatment of all aspects of the maritime history of the Classical world designed for the use of students as well as scholars. Beginning with Crete and Mycenae in the third millennium BC the author expounds a concise history of seafaring up to the sixth century AD. The development of ship design and of the different types of ship the varied purposes of shipping and the status and conditions of sailors are all discussed. Many of the most important sea battles are investigated and the book is illustrated with a number of line drawings and photographs. Greek and Latin word are only used if they are technical terms ensuring A History of Seafaring in the Classical World is accessible to students of ancient history who are not familiar with the Classical languages.

The Unforgiving Hours

Shannon Hogan, 2025-04-08 An exploration of incredible physical feats some well known and some only passed around watering holes and campfires that will have readers cheering by endurance athlete and journalist Shannon Hogan that takes us into the world of those who have pushed themselves through the unforgiving hours to achieve greatness and redefine modern outdoor adventuring. Publishers Weekly From the frozen wilds of Alaska's treacherous trails to the unyielding currents of Puget Sound and Canada's Inside Passage from the rugged majesty of Colorado's peaks to the vibrant depths of Costa Rica's rainforests Hogan offers us an intimate window into the toughest contests in sports. Whether it's a blistering race across the furnace trails of gold country in the Sierra Nevadas a grueling swim in frigid water to break the Ice Mile Distance record or a competition on the biggest triathlon stage with a determination beyond perceived limitations each journey reveals the resilience and humor it takes to face the unknown with only the guarantee of discomfort ahead. These stories of ordinary women and men who kept going even when things went wrong especially when the weather and tides did not cooperate attest to the drive grit and patience that exists in all of us. Through exhaustion setbacks and moments of darkness and doubt these athletes prove that greatness isn't about perfection it's about perseverance.
