Mighty Men John Crotts, 2025-03-31 UPDATED AND EXPANDED EDITION Christian men often find the task of family leadership so daunting we withdraw from it into distant uninvolved leaving the wife and children with the impression that we don't care enough to lead or don't want to when the heart of the problem often is we're intimidated by our lack of possessing the basic tools Many Christian men today had little or no training for the role we now find ourselves in This book provides a starter kit for men reluctant to take the reins of spiritual leadership in their homes and shows the path to imitating Christ in loving servant headship to those family members who look to us A Gaelic dictionary specially designed for beginners [by E.
