*Revitalizing Christianity Study Guide* Charlie Webster, 2012-02 The book Revitalizing Christianity takes the reader through ten areas where Christians misunderstand highly motivating Christian truths. This study guide is designed to work with an individual or group interested in seriously studying the Bible with the help of that book. Many Christians have doubts about the reality of God. Attacks especially in the realm of science have many questioning whether the God of the Bible is real. Without getting bogged down in the science Mr Webster provides simple assurance that the God of Christianity is the only real God. But the God of Christianity has gained a terrible reputation and these books address how understanding the biblical message from God's perspective reveals a God who really is good and wonderful and even exciting. Mr Webster addresses misunderstandings about Christian love and the nature of sin saving faith Christian hope heaven God's plan the role of suffering the role of prayer the role of Christian forgiveness and the role of the church taking the reader back to the Bible over and over to show that Christianity was always meant to be exciting and good. *Study Guide for CTET Paper 1 (Class 1 - 5 teachers) with Past Questions 5th Edition* 9789387045941, 2020-05-01
