Thuesen,1999-12-16 The story of the translation of the Bible in America begins with the King James Version In fact many Americans thought of the KJV as the foundational text of the Republic rather than a cultural inheritance from Anglican Britain In the nineteenth century however as new editions of the Greek New Testament appeared scholars increasingly recognized significant errors and inconsistencies in the KJV This soon led to the Bible revision movement whose goal was the uniting of all English speaking Protestants behind one new improved version of the Bible Ironically as Peter Thuesen shows in this fascinating history the revision movement in fact resulted in a vast proliferation of English scripture editions and an enduring polarization of American Christians over versions of Holy Writ The recurrent controversies over Bible translations he argues tell us less about the linguistic issues dividing conservatives and liberals than about the theological assumptions they have long held in common **NLT Life Recovery Bible, Second Edition** Stephen Arterburn,Tyndale,David Stoop,2017-09-05 The Life Recovery Bible 25th Anniversary Edition points to God himself as the primary source of recovery Millions of people have been helped by this Bible New articles provide a fresh perspective on recovery Help for leaders is provided in a general facilitator's guide and a step by step meeting guide These offer help to anyone starting or running recovery groups at church or in the community Features New inspirational Preface Article A Word about Addictions Article An Early History of Life Recovery Article Thriving in a Secular Recovery Group Article Life Giving Recovery Groups in the Church Life Recovery Facilitator's Guide Step by Step Life Recovery Meeting Guide The 12 Christian Foundations of Life Recovery The 12 Self Evident Truths of Life Recovery Resources page directing readers to helpful books and online resources
