**No Known Grave (A Detective Inspector Tom Tyler Mystery 3)** Maureen Jennings, 2014-11-28 It is the summer of 1942 and after two difficult years DI Tom Tyler is making a fresh start in Ludlow Shropshire On the outskirts of town St Anne's Convalescent Hospital staffed by nursing sisters who are also Anglican nuns has been established in an old manor house to help victims of the war But their peace is shattered when a horrifying double murder is discovered on the grounds Tyler must discover how the crime was committed in such a secluded place where most of the patients are unable to walk and many are deeply traumatized When he begins to receive mysterious letters recounting terrible crimes he realises that he is not only seeking a murderer but that the horrors of the war are closing in on this place that was meant to be a refuge    **Murdoch**

**Mysteries** Maureen Jennings, 2017-11-07 Toronto November 1917 The Great War is grinding on chewing up young men by the thousands With enforced conscription and horrendous carnage the enthusiasm for war is dimming in the loyal Dominion of Canada William Murdoch now a widower spends his time tracking down bootleggers and trying to repair his relationship with his only son Jack Recently returned from France after being gassed and wounded at Passchendaele Jack is deeply troubled and seems to be bound to another former soldier Percy McKinnon by a mysterious secret But Murdoch soon has much more serious crimes than rum running on his hands A young man is found stabbed to death on the night that Jack and Percy arrive home Followed by a tragic suicide and two more murders the only connection between the deaths is that all the young men were exempt from conscription Murdoch must solve these crimes before more innocents are killed but Jack seems to know more about the murders than he should    Except the Dying Maureen Jennings, 2012-02-10 Toronto February 1895

When the body of a young woman is found naked and frozen in a quiet laneway Acting Detective William Murdoch driven by pity for the dead girl and the desire to secure his promotion is determined to pursue every lead and reveal the truth Though influential people bring pressure to bear on the police to solve the mystery quickly when the body is eventually identified it soon becomes clear that many of those connected with the girl's life have secrets to hide Murdoch must use every detective skill he possesses and his understanding of human nature to untangle the case before more lives are lost    Beware This Boy Maureen Jennings, 2013-08-02 November 1940 Tom Tyler Detective Inspector is a troubled man He is asked to help out in an inquiry into an explosion in a munitions factory that has killed several of the young women who have taken on dangerous work in support of the war effort At first it seems more than likely the explosion was an accident but as Tom talks to the employees of the factory the cracks begin to appear    **Dead Ground in Between** Maureen Jennings, 2016-08-02 It's late 1942 the war is still raging and DI Tom Tyler is settling into his placement in Ludlow Shropshire a small town full of Italian PoWs from a nearby internment camp brought to work the land Fraternizing is forbidden but as Tyler knows only too well the human heart has a way of crossing boundaries Then a old man is found murdered and Tyler suspects that the two

evacuee children who found the body are not telling him the whole truth    **Let Loose The Dogs** Maureen

Jennings, 2012-04-06 Toronto December 1895 Detective William Murdoch takes on the most personal case of his career when his estranged father in prison awaiting execution for murder calls on his son to investigate the real circumstances of the case and prove his innocence Meanwhile Murdoch's sister who long ago fled to a convent to escape their abusive father is on her deathbed and has been harbouring a secret from their childhood As Murdoch questions those linked to the murder trial it soon becomes clear that almost everyone had something to hide But does that mean the verdict was wrong **Dead Ground in Between** Maureen Jennings, 2017-08-08 From Canada's premier author of historical mysteries Maureen Jennings comes the haunting fourth novel in the DI Tom Tyler series Set in Britain during the darkest days of World War II this is a must read for fans of Foyle's War Jacqueline Winspear's Maisie Dobbs series and wartime dramas It's late 1942 the war is still raging and the upcoming Christmas season looks bleak Detective Inspector Tom Tyler is settling into his placement in Ludlow Shropshire a small town jammed with people sent there by the conflict On the outskirts is an Italian PoW camp and many PoWs work on local farms where manpower is sorely needed Fraternizing is forbidden but as Tyler knows only too well the human heart has a way of crossing boundaries Tyler's job is both to keep the peace and to enforce wartime regulations Magistrate's court is busy Then a troubled old man goes missing in a winter storm The next day his body is discovered in a secret hideout supposedly known to very few It soon becomes clear that a crime has been committed and there is no shortage of suspects Tyler senses that the two evacuee children who found the body are not telling the entire truth but when he goes to question them further he learns they have taken off from their foster home It becomes imperative that he find them Showcasing her characteristic masterful storytelling and deep empathy for her characters from the bravest and most blameless to the profoundly troubled Jennings has created another outstanding novel that is both a page turning mystery and a rich satisfying reading experience **Let Darkness Bury the Dead** Maureen Jennings, 2017-11-07 Canada's premier author of historical mystery fiction returns with a brand new and highly anticipated Murdoch Mystery with an older and wiser Detective Murdoch It is November 1917 The Great War is grinding on chewing up young men by the thousands Initially in the loyal Dominion of Canada people are mostly eager to support the Motherland and fight for the Empire Men perceived as slackers or cowards are shunned But the carnage is horrendous and with enforced conscription the enthusiasm for war is dimming William Murdoch is a widower a senior detective who thanks to the new temperance laws spends his time tracking down bootleggers and tipplers most unsatisfying His wife Amy died giving birth to their second child a girl who lived only a few hours more Murdoch racked by grief withdrew from four year old Jack This he regrets and would dearly love to make up for his negligence As we enter the story Jack now twenty one has returned from France after being wounded and gassed at the Battle of Passchendaele It is soon apparent that he is deeply troubled but he's not confiding in his father He does however seem to be bound by shared secrets to another wounded former soldier Percy McKinnon Murdoch suddenly has much more serious crimes than rum running on his hands The night after Jack and McKinnon arrive home a young man is

found stabbed to death in the impoverished area of Toronto known as the Ward Soon after Murdoch has to deal with a tragic suicide also a young man Two more murders follow in quick succession The only common denominator is that all of the men were exempted from conscription Increasingly worried that Jack knows more than he is letting on Murdoch must solve these crimes before more innocents lose their lives It is a solution that will give him only sorrow **Vices of My Blood** Maureen Jennings,2013-09-03 In his forties the Reverend Charles Howard still cut an impressive figure A married Presbyterian minister in Toronto s east end Howard was popular with the congregation that elected him especially with the ladies and most particularly with Miss Sarah Dignam Respected in the community Howard as Visitor for the House of Industry sat in judgment on the poor assessing their applications for the workhouse But now Howard is dead stabbed and brutally beaten by someone he invited into his office His watch and boots are missing Has some poor beggar he turned down taken his vengeance Murdoch s investigation takes him into the arcane Victorian world of queer plungers men who fake injury all the better to beg and the destitute who had nowhere left to turn when they knocked on the Reverend Howard s door The Whole Story John E. Simkin,1996 This work is the only comprehensive guide to sequels in English with over 84 000 works by 12 500 authors in 17 000 sequences **Beware this Boy : a Detective Inspector Tom Tyler Mystery** ,2016 November 1940 Tom Tyler Detective Inspector of the small Shropshire town of Whitchurch is a troubled man The preceding summer had been a dark one for Britain and even darker for Tom s own family and personal life So he jumps at the opportunity to help out in the nearby city of Birmingham where an explosion in a munitions factory has killed or badly injured several of the young women who have taken on dangerous work in support of the war effort At first it seems more than likely the explosion was an accident and Tom has only been called in because the forces are stretched thin But as he talks to the employees of the factory inner divisions between the owner and his employees between unionists and workers who fear communist infiltration begin to appear **Variety Film Reviews** ,1949 **The Freemason and Masonic Illustrated.
