Novels Tobias Smollett, 1890 **No Such Creature** Giles Blunt, 2009-08-04

Tooling across the American southwest in their giant Winnebago, Max and his nephew Owen seem harmless enough, the actorly old fellow spouting Shakespeare like a faucet while his young charge trots him through select tourist destinations along the road. But

appearances as you might imagine can be deceiving Old Max is actually a master thief and young Owen's summer vacation is his careful apprenticeship in a life of crime Pulling heists is scary enough but ominous signs point to the alarming fact that The Subtractors are on their tail criminal bogeymen who stop at nothing to steal from other thieves The road trip soon turns into a chase by turns comic and horrifying The most disturbing twist Owen's slow realization that the person he loves most in the world is the one who can do him the most harm
