Adkins**

## **Noah A Wordless Picture :**

**Noah** Mark Ludy, 2014 Mark Ludy's latest book will appeal to adults and children alike. Digging deeper than the Sunday school tale of cuddly animals on Noah's ark, the story follows the biblical text and illuminates Noah's relationship with God, his wife, family, nature, and humanity. Ludy's world class artwork lets people see as though for the first time the beauty within this story, revealing a clearer picture of the nature and character of God and his relationship to humankind. It's immersive and epic in scale and scope. The wordless format invites conversation and storytelling, key building blocks of literacy. And as with his previous books, Ludy's signature mouse, Squeakers, appears hidden on every page.

*Children's Books that Nurture the Spirit* Louise Margaret Granahan, 2003 Children develop in so many ways physically, intellectually, socially, and spiritually. Story is just one of the ways to foster and support a child's faith development. They can find role models in the positive characters in literature and develop empathy for others when they see a different point of view. *Children's Books that Nurture the Spirit* is an introduction to quality children's literature for spiritual development. The most current and readily available children's literature is reviewed by the author. In addition, Granahan suggests ways for leaders to use and extend the literature.

## **The Communication Disorders Casebook** Shelly S. Chabon, Ellen R. Cohn, Dorian

Lee-Wilkerson, 2023-06-06 NOW PUBLISHED BY PLURAL The Communication Disorders Casebook: Learning by Example. Second Edition focuses on current issues and trends in speech language pathology (SLP) clinical practice. New and advanced students as well as practitioners will benefit from this comprehensive collection of real world examples provided by experienced clinicians and scholars. The cases follow an easy to understand structure that allows readers to accompany an SLP through the steps of evaluation, diagnosis, treatment, and follow up of individuals with speech language, swallowing, and hearing challenges and their families. The clinical studies employ a holistic person first approach that considers the beliefs, values, lived experiences, and social contexts of patients throughout the lifespan. With a deep commitment to case based learning, Shelly S. Chabon, Ellen R. Cohn, and Dorian Lee Wilkerson have curated a valuable compendium of thought provoking studies that encourage readers to think like clinicians with empathy, understanding, and knowledge. New to the Second Edition: New and updated cases to reflect current research and clinical practice. Many new references in both the cases and online Instructor's Manual. Key Features: A focus on conceptual knowledge areas, Comprehensive case histories from leading experts, Step by step explanations of diagnoses, treatment options, and outcomes, Basic and advanced learning objectives, Comprehension and analysis questions to evaluate understanding of case studies, Suggested activities and readings.
