**Noah's Other Son** Brian Arthur Brown,2008-10-15 Brown helps Jews and Christians understand the role that several biblical figures from their own traditions play in Islam    **Forensic Scriptures** Brian Arthur Brown,2009-02-16 In Forensic Scriptures Brian Arthur Brown presents a long overdue Diagram of Sources of the Pentateuch from Hebrew Scriptures a new perspective on authorship of the document known as Q in the Christian Scriptures an acceptable entree into particular disciplines of scriptural criticism for Muslims and an exciting new paradigm from Islam identifying the role women may have played in production of the Quran and the Bible

**The Qur'an in Christian-Muslim Dialogue** Corrie Block,2013-10-08 Offering an analysis of Christian Muslim dialogue across four centuries this book highlights those voices of ecumenical tone which have more often used the Quran for drawing the two faiths together rather than pushing them apart and amplifies the voice of the Quran itself Finding that there is tremendous ecumenical ground between Christianity and Islam in the voices of their own scholars this book ranges from a period of declining ecumenism during the first three centuries of Islam to a period of resurging ecumenism during the most recent century until now Among the ecumenical voices in the Christian Muslim dialogue this book points out that the Quran itself is possibly the strongest of those voices These findings are cause for and evidence of hope for the Christian Muslim relationship that although agreement may never be reached dialogue has led at times to very real mutual understanding and appreciation of the religious other Providing a tool for those pursuing understanding and mutual appreciation between the Islamic and Christian faiths this book will be of interest to scholars and students of Islam the Quran and the history of Christian Muslim relations

**Christmas and the Qur'an** Karl-Josef Kuschel,2018-01-15 The familiar and heartwarming story of Christmas is one of hope encapsulated by the birth of the infant Jesus It is also a story that unites Christianity and Islam two faiths that have often been at odds with each other The accounts of the Nativity given by the Evangelists Luke and Matthew find their parallels in Surahs 3 and 19 of the Quran which take up the Annunciation to Mary the Incarnation from the Holy Spirit and the Nativity Christmas and the Quran is a sensitive and precise analysis of the Christmas story as it appears in the Gospels and the Quran Karl Josef Kuschel presents both scriptures in a convincing comparative exegesis and reveals startling similarities as well as significant differences Kuschel explores how Christians and Muslims read these texts and reveals an intertwining legacy that serves as a base for greater understanding Without leaving the realm of theology Kuschel approaches his analysis in a theocentric way by emphasizing the shared belief that God is almighty which he argues can act as a healing suture between Christianity and Islam Christmas and the Quran gives the reader the chance to remember the message of hope that the birth of Jesus brings and invites to a dialogue between Muslims and Christians
