**Nobody's Cuter than You** Melanie Shankle,2015-04-07 There is nothing as precious in life as a friend who knows you and loves you in spite of yourself Yet over the last couple of decades we ve substituted the joy of real friendship with cheap imitations We settle for community on Facebook and Twitter and a series of text messages that allow us to communicate with someone without the commitment We like each other s beautifully filtered photos on Instagram and delude ourselves into believing we have a community But real friendship requires effort It s showing up laughing loud and crying hard It s forgiving and loving and giving the benefit of the doubt It s making a casserole doing a carpool pickup and making sure she knows those cute shoes are 50 percent off Written in the same comedic style as the New York Times bestsellers Sparkly Green Earrings and The Antelope in the Living Room Nobody s Cuter than You is a laugh out loud look at the special bond that exists between friends and a poignant celebration of all the extraordinary people God had the good sense to bring into our lives at exactly the right moments From the friendships we develop over a lifetime to the ones that wounded us and the ones that taught us to love better Melanie Shankle reveals the influence our friends have on who we were who we are and who we will become And on a day when our jeans feel too tight our chins have decided to embrace hormone related acne reminiscent of our teen years and our kids have tested the limits of our sanity they are the ones who will look at us and say Nobody s cuter than you

**On the Bright Side** Melanie Shankle,2020-02-25

Big Mama blog founder and New York Times bestselling author Melanie Shankle helps us sort through our questions about being true to ourselves in a world gone crazy and what matters the most in the end These days so many voices tell us what to do what to think and what kind of parent or friend or spouse to be that it s easy to feel overwhelmed and defeated Somewhere in the midst of online arguments and crazy politics and the ups and downs of life we ve lost sight of the gifts that are all around us kindness love mercy and joy In On the Bright Side Melanie Shankle reminds us of the unchanging principles we can count on in a changing world These are lessons that Melanie has learned along the way about how to find all the joy that life has to offer and why encouragement is never something to keep to ourselves Melanie invites us to lead with love in all areas of our lives exploring topics such as Finding your people Giving up on comparing and competing Aging kind of gracefully Believing in ever after Staying mostly sane while raising kids Thinking before speaking Making decisions And more This delightful memoir highlights the joys of life told in Melanie s down to earth relatable and totally enjoyable style On
