**Our Reasonable Faith** Herman Bavinck,1956 Our Reasonable Faith is an accessible digest of the author s famous four volume Reformed Dogmatics and clearly presents the fundamental doctrines of Biblical theology A practical handbook of theology it is an outstanding and comprehensive statement of Christian faith and doctrine Fully supported by Scriptural references this book provides students teachers pastors and lay readers with a readable thorough and systematic presentation of God s revelation     *Our Reasonable Faith* Herman Bavinck,1977     *The Formation of Christian Doctrine*

Malcolm B. Yarnell,Malcolm B. Yarnell, III,2007 The Formation of Christian Doctrine is an advanced academic study of how Christian doctrine develops distinguishing in particular between scholarly term inventio and less revelatory process of invention     *Justification and the Kingdom of God, Volume Two* Paul Chul Hong Kang,2025-02-11 The Justification and

Kingdom of God series seeks to answer the question How can justified Christians in Jesus bear the fruit of faith reflecting growth in God s image To address this the series helps readers understand what happens to the image bearers of God in Adam or in Jesus Christ This reveals the deeper meaning of the gospel and the restoration of God s image uncovering hidden treasures Now the challenge is whether the reader will accept these treasures The Kingdom of Justification strengthens readers with the truth that eternal life becoming the children of the living God through Jesus s perfect obedience includes the restoration of God s image in Jesus This restoration achieved through Jesus defines human wisdom knowledge righteousness holiness and goodness in Christ as God s children This book warns against following intellectualism and moralism in liberals which are driven by the marred image of God due to Adam s sin as guides for one s thoughts and actions Justification by God s grace alone is the foundation of true Christian growth in Jesus the core of a Christian s identity and the source of gratitude joy and peace This book continually encourages readers Don t give up on yourself You are a child of God     *Creation and*

*Salvation: Dialogue on Abraham Kuyper's Legacy for Contemporary Ecotheology* Ernst M. Conradie,2011-03-21 This volume explores the legacy of the Dutch theologian and statesman Abraham Kuyper for contemporary Christian ecotheology It focuses on Kuyper s understanding of the relationship between creation and salvation It includes essays and responses by contributors from four continents     *Seated in the Heavenly Realms* Young Jae Song,2022-08-04 This book explains key

doctrines in theology from the perspective of biblical eschatology Eschatology first appears in Genesis rather than in Revelation for it is about the chief end of man and God s creation It is placed in the beginning rather than at the end of theology as the central and foundational motif The chief end of man in the Westminster Shorter Catechism for instance is an eschatological concept in nature as well as in redemption Eschatology precedes redemption but the eschatology of nature is fulfilled through the eschatology of redemption in Jesus Christ The Golden Chain of Ordo Salutis and the progress of redemptive history will be interpreted from the perspectives of covenant eschatology and Christology     **Saving the Earth?** E. M. Conradie,2013 Christians seeking to save the Earth have to relate creation to salvation by doing justice to both themes
