**The Prophetic Call to Love and Justice** Arnold H. De Graaff, 2025-06-20 Scripture's compelling message of love and justice is powerfully relevant for today. The implications of the Amsterdam way of interpreting Scripture are evident throughout the book. It is both a personal and timely way of speaking to our disintegrating society. The Prophetic Call to Love and Justice provides a meaningful and radical yet simple way of re connecting with the Bible. As one of the founders of the Amsterdam way of interpretation Karel Deurloo stated The opportunity to learn anew and understand the language of the Bible has been taken away. Often the focus is on the assumed origin and history of a text a historical literary approach or a fundamentalist view creating a fragmented moralistic and doctrinaire emphasis which has alienated many from churches. Instead Deurloo and others focused on the prophetic meaning that speaks to all of us as the living word of God today. This alternative is rooted in the Hebrew Scriptures Its abiding prophetic message of love and justice is reiterated in the Gospels and apostolic letters Hence the choice of subtitle Rediscovering the Old Testament It is a joyful journey of discovery finding new meaning in the Bible for our lives Final Environmental Statement United States. Bureau of Land Management, 1979
