**Carlisle vs. Army** Lars Anderson,2008-08-12 A stunning work of narrative nonfiction Carlisle vs Army recounts the fateful 1912 gridiron clash that pitted one of America s finest athletes Jim Thorpe against the man who would become one of the nation s greatest heroes Dwight D Eisenhower But beyond telling the tale of this momentous event Lars Anderson also reveals the broader social and historical context of the match lending it his unique perspectives on sports and culture at the dawn of the twentieth century This story begins with the infamous massacre of the Sioux at Wounded Knee in 1890 then moves to rural Pennsylvania and the Carlisle Indian School an institution designed to elevate Indians by uprooting their youths and immersing them in the white man s ways Foremost among those ways was the burgeoning sport of football In 1903 came the man who would mold the Carlisle Indians into a juggernaut Glenn Pop Warner the son of a former Union Army captain Guided by Warner a tireless innovator and skilled manager the Carlisle eleven barnstormed the country using superior team speed disciplined play and tactical mastery to humiliate such traditional powerhouses as Harvard Yale Michigan and Wisconsin and to along the way lay waste American prejudices against Indians When a troubled young Sac and Fox Indian from Oklahoma named Jim Thorpe arrived at Carlisle Warner sensed that he was in the presence of greatness While still in his teens Thorpe dazzled his opponents and gained fans across the nation In 1912 the coach and the Carlisle team could feel the national championship within their grasp Among the obstacles in Carlisle s path to dominance were the Cadets of Army led by a hardnosed Kansan back named Dwight Eisenhower In Thorpe Eisenhower saw a legitimate target knocking the Carlisle great out of the game would bring glory both to the Cadets and to Eisenhower The symbolism of this matchup was lost on neither Carlisle s footballers nor on Indians across the country who

followed their exploits Less than a quarter century after Wounded Knee the Indians would confront on the playing field an emblem of the very institution that had slaughtered their ancestors on the field of battle and in defeating them possibly regain a measure of lost honor Filled with colorful period detail and fascinating insights into American history and popular culture Carlisle vs Army gives a thrilling authoritative account of the events of an epic afternoon whose reverberations would be felt for generations Carlisle vs Army is about football the way that The Natural is about baseball Jeremy Schaap author of I

DD 877 Then I followed with a chronological rendition which covered a trip to the Korean War and another to Vietnam during  
my 20 years in the U S Navy on three other different naval vessels but began with the chronological format of a life of a river  
rat born somewhat infamously in 1932 on the banks of Memphis My life in sports approximately 16 years moonlighting as a

photojournalist my college education followed by 12 years as executives with the Chicago White Sox 5 and Cubs 7 concluding with one of several ownerships of small companies rounded out my interesting career I originally planned to continue with my three trips to the Vietnam and Korean Wars including my injury and sad losses of shipmates and friends Then go to my childhood parenthood many exciting careers etc etc etc However it didnt take too long for me to decide the categories overlap in too many places Hence A few years later Elvis Presley arrived on the planet and eventually became internationally famous there Memphis long known as the Home of the Blues was to become also famous as the home of the King of Rock n Roll My first high school Whitehaven is only a few blocks from Elvis Graceland And my Southside High bride and I began training our dancing shoes to the big bands of the 40s and peaked with the rocking and twisting of the 50s and 60s Although only a senior to be in high school the Korean War found me an early enlistee Why Because I was a youngster almost entering teenage during World War II Everything was thrilling about the big one for a boy that age All the toys were guns tanks jeeps warplanes etc The war movies were always exciting and in most cases the hero ended up with the female star As I was a young budding teenager females were becoming of more interest in my life I have never met any male whose sex life began earlier than mine older girls are great teachers Also the U S Navy aircraft pilots were my idols Landing airplanes on a sea going vessel was my kind of challenge I was so hooked that I joined the Navy to become a fighter pilot The recruiter was surprised at how I could identify all aircraft of nations involved in WWII I even memorized the horsepower of power plant s plus the cruising and maximum speed of each airplane My favorite was our Corsairs F4U a gull winged propeller fighter It never occurred to me until this moment recalling this tidbit but one of these planes almost killed me However the moonlighting working a civilian job at night on shore duty between these wars helped prepare me for my career highlight era in Major League Baseball There is no doubt about it my leash of life is anchored to the sportsworld My youth was playing or inventing sports orientated things It gave me a second glance by people in the sportswriting and sportscasting fields This all led to sports columnist and sports editor jobs in the newspaper business This along with learning the print business was not only a challenge which I always relished but was mucho fun The many hours and stress involved led to more and more alcohol Which definitely made a honky tonk man out of me where there is plenty of wine women and song The latter threesomes were like a personal little cloud that follows me throughout most of this autobiography I wasnt able to attend college fulltime until I finished my 20 years in the U S Navy Then finishing With Honors gave my mother extreme pride after her total education was a small 12 total students high school in sticks of Mississippi I had almost completed by Masters Degree and CA Lifetime Teachers Credential when I got into Major League Baseball and went to Chicago      The Delta of Sigma Nu ,1990
