Practical Solutions for Stabilizing Students with Classic Autism to be Ready to Learn Judy Endow, 2010 This title recognizes the

importance of offering stabilization strategies that afford students a better regulated body often enabling students with classic autism to increase their time in school most of them working up to full day participation Overcoming Anxiety in Children & Teens Jed Baker, PhD, 2016-08-17 The key to this book is that it outlines both the science and art of anxiety therapy. The science of overcoming anxiety is using the well researched approach called gradual exposure therapy which involves helping individuals gradually face their fears. The art of therapy is figuring out how to actually convince someone to face their fears. Jed describes motivational techniques, cognitive behavioral strategies, exercises, relaxation, and mindfulness guides to lower anxiety to the point where individuals can begin to confront their fears. The book covers simple phobias, social phobia, selective mutism, separation anxiety, and school refusal, panic disorder, obsessive compulsive disorder, somatic symptom disorder, and or illness anxiety disorder, generalized anxiety disorder, perfectionism, and other common fears.
