No Other Gods Confronting Our Modern Day Idols:

No Other Gods Kelly Minter, 2008 Minter explores what happens when good desires become false gods robbing people of an intimate relationship with the heavenly Father Christian *No Other gods* Kelly Minter, 2008-04-01 Our lives revolve around our deepest needs and greatest treasures Relationships Family Financial security Private hopes and dreams Most of our desires are healthy Yet these longings can become passions we not only pursue but worship And while idol worship may seem like ancient history we still face the modern day equivalent version as natural needs slowly consume our hearts and minds competing with God's rightful place in our lives *No Other Gods* offers a revealing look at the heart of a woman Author Kelly Minter explores what happens when good desires become false gods robbing us of an intimate relationship with our heavenly father So discover the freedom in surrender The healing in worship And the joy found in exchanging everyday gods for the one true God Listen to two samples from Kelly Minter's worship CD *Finer Day Finer Day First In My Heart* Buy *Finer Day* here [Bringing Home the Missing Linck](#) Jennifer Jackson Linck, 2013-10-25 From the time Jennifer Linck was old enough to rock her Cabbage Patch Doll she dreamed of being a mother As her friends began welcoming tiny bundles of joy Jennifer struggled to conceive a child As a gut wrenching desire to be a mom built within her God began to place adoption on Jennifer's heart In 2010 Jennifer and her husband John felt God leading them to build their family through international adoption Eighteen months after they began their journey to Ethiopia God took them on a detour that only He could have orchestrated After accepting a job at the local homeless shelter Jennifer began to see how God truly wanted her to live her life serving the least of these As God transformed her heart and showed her how to truly love the poor the widow and the orphan He began to weave together a story that would eventually lead to her son In *Bringing Home the Missing Linck* Jennifer shares how the pain and heartache of infertility became the building blocks God used to strengthen her faith and make her heart more like His as He answered her prayers for a child **Crushing Codependency and Relational Idolatry** Mary Lehman, 2019-01-15 After years of living behind walls to hide her guilt and shame author Mary Lehman describes her journey from shame based religion to a grace based relationship with the Three In One For God to get her attention it took the death of her husband and the separation from someone with whom she had developed an unhealthy codependent friendship Because in the past Mary had fallen into an inappropriate relationship she recognized the slippery slope she was on Amid the months of grief and desperation she made the decision to never go down that road again Seeking God she came to realize He had put her on a path where she could receive His deliverance from codependency and relational idolatry Since then Mary has overcome the spiritual abuse internalized shame and habits of risk taking that kept her in bondage for decades she has renewed her mind with the gospel of grace As her new identity she has put on Christ Now applying the story of David and Goliath Mary shares her journey in detail and describes her newfound peace and freedom This is the narrative of a woman who has found transformation within her faith escaping the mental and emotional traps that

had kept her from healing and joy *More Screams, Different Deserts* Sue Eenigenburg, 2013-10-14 Joy and Perseverance for Women in Cross Cultural Ministry *More Screams Different Deserts* is another invitation to join Sue on her adventures in cross cultural living and biblical studies that have helped her along the way With twenty seven years of experience in cross cultural ministry Sue realizes that joy and perseverance are essential for thriving in life and ministry Her stories and insights encourage women to look to Jesus our only hope wherever we live Stories ranging from one corner of the world to another include discovering a forgotten museum protecting her children from chocolate visiting a camel market and meeting wild pigs on a nighttime walk God has been her refuge and his Word held her steady when all she really wanted to do was run away and hide Questions and resources at the end of each chapter will help readers think through personal application and find additional help **No Gods But God** Dennis Newkirk, 2012-11 Why is it that so many of us settle for a less than satisfying Christian life We suffer the symptoms spiritual dryness dissatisfaction and unanswered prayers of a yet unidentified problem that creates an obstacle between God and us We seem unable to connect the dots between our symptoms and the problem causing them God is no longer first in our hearts Pastor Dennis Newkirk tells the story of how God showed their church what their problem was God was no longer first in their hearts Newkirk brings experience and a pastor's heart as he teaches us about the dangers of modern day idolatry But he also offers hope by showing us how to deal with our idols and the reward of doing so The four step pattern God uses to call hearts back to him isn't some cookie cutter approach but seeing the steps spelled out can help Christians recognize how God might be applying them in his or her life Examining our own lives before God and admitting that our hearts have strayed isn't easy and it is most certainly humbling But that's what God wants a humbled repentant person standing before Him and willing to be used in service for Him For the sincere Christian who wants an answer to the question Is there more to the Christian life No gods but God will provide an answer **The Fitting Room** Kelly Minter, 2017-10-01 Colossians 3:12 tells us to clothe ourselves in Christian virtues such as forgiveness joy patience and compassion But how does that work in real life Can we really dress up in the character of Christ Kelly Minter says the answer is yes if we let the Master Designer do the fitting This relatable book offers insightful Scripture study with real life stories and simple down to earth explanations of the tricky concepts of justification and sanctification stitching it all together with dry humor and honesty There are no gimmicks no guilt trips just an irresistible invitation for women to enjoy a spiritual makeover to put on a life that's personally tailored by the One who knows and loves them best Sunday School Times, 1882 The Acts of God George Sweeting, Donald W.
