into a space of meditation He describes meditation as the very center of his teaching efforts the very womb out of which one is going to be re born To say something about meditation is a contradiction in terms It is something which you can have which you can be but by its very nature you cannot say what it is Still efforts have been made to convey it in some way Even if only a fragmentary partial understanding arises out of it that is more than one can expect From a series of talks From Misery to Enlightenment by Osho

The Heart Sutra Osho,2014-09-09 The Heart Sutra originally a very short set of verses was given in privacy It was a message to one of Buddha s close disciples Sariputra and was specifically addressed to him Over time the Heart Sutra became one of Buddhism s core teachings In these ten talks Osho presents the powerful message of these ancient words and brings them to a modern audience one with different minds and needs than the original audiences of Buddha more than 2 500 years ago Osho s message is not about Buddha the historical figure instead he addresses his readers and listeners and encourages them to discover their own inner reality their own buddhahood Like Buddha s Osho s message is about meditation and meditation alone rely only on your meditation and nothing else Osho also speaks on the seven chakras the energy centers of the human body and their corresponding relationships to the physical psychosomatic psychological psychospiritual spiritual spiritual transcendental and transcendental aspects of human growth and consciousness

Superficially Civilized Osho,2012-09-30 Osho describes humanity as superficially civilized Underneath of our so called civilization we are still animals but our cultures cannot accept this fact This Osho talk is about about unconsciousness repression and expression of emotions In responding to two personal questions Osho describes unconsciousness as the basement of our minds in which many things are buried which find expression through your conscious Like millions of people watch boxing or football matches and their enjoyment is the expression of hidden violence

Hypnosis in the Service of Meditation Osho,2012-09-30 Can hypnosis support meditation This is the focus and question of this Osho Talk Osho speaks about a time when hypnosis was a recognized door towards meditation In the Middle Ages hypnosis was condemned alongside witchcraft That condemnation still lingers on Osho speaks here about hypnosis as a very helpful tool to enter into meditation he discusses hypnosis and self hypnosis as useful tools combined with modern audio recording technology to support the process

When Eternity Penetrates Time Osho,2013-03-26 Time is that in which we live it is horizontal It is from A to B to C to D it is in a line Eternity is vertical It is not from A to B and from B to C It is from A to more A to still more

A It goes on upwards The moment is rare because it happens only when meditation has reached ripening maturity when you have touched your innermost core The vertical line opens a door to eternity Taken from a series Hari Om Tat Sat by Osho
