A. Musleh Al-Sartawi,Abdulnaser Ibrahim Nour,Islam Abdeljawad,2026-01-01 This book is timely as it explores the double edged nature of disruptive technologies in providing both challenges and opportunities for businesses in the age of digital transformation Business resilience has two major forms related to timescales Both kinds of resilience are identified as key for delivering sustainable development The opposite is also found to be true Both are needed to deliver either and to let businesses survive and grow Sustainability is increasingly a strategic issue for firms seeking sustainable competitive advantage It has been driven by stakeholder legislative and cost changes including natural resource

constraints Frizzo Barker et al 2020 Business resilience has also been of interest recently due to the unpredictable effects of globalization and economic turbulence and in response to changing social limitations on and expectations of companies The topic of sustainable development has become ubiquitous in the last 30 years Henderson and Loreau 2023 yet how to achieve such a goal or whether it is even possible remains a major unknown This book attempts to provide a platform for researchers and practitioners to discuss sustainability in light of the eruption of disruptive technologies legislations regulations and stakeholder demands This book s purpose is twofold it aims to explore artificial intelligence and digital transformation implications for achieving business resilience and business innovation Second it aims to cover unique and variety of interdisciplinary topics in the challenges and opportunities of disruptive technologies and how these advanced technologies can be implemented to contribute toward sustainable development goals and sustainability Consequently to address the aims of the book it seeks exploratory empirical interpretive and theoretical research built on either primary or secondary data The approaches suggested are not exhaustive and can be extended upon by the researchers In addition the book contributes toward the UN s sustainable development goals
