Chambers USA ,2006 **First Shot At Love** Lisa B. Kamps,2017-12-13 Jean Pierre JP Larocque doesn t believe in love especially not love at first sight As a rising star for The Baltimore Banners the hockey player has his choice of women Why should he settle for just one Then he meets Emily Poole She s quiet reserved maybe a little shy and completely unlike any woman he s ever met Can he convince the woman of his dreams to give him a chance Emily has no idea what to make of the sexy hockey player She s never met anyone like him before charming charismatic and attentive Is he merely flirting or is he after something else Should she take the chance and end up risking so much more than her heart Sometimes opposites really do attract But is it enough for these two to risk everything and try for a first shot at love **Playing It Up** Lisa B. Kamps,2017-08-30 Lisa B Kamps is a USA Today Bestselling Author who writes steamy romance with real life characters and relatable stories that evoke deep emotion She likes her men hard her bed soft her coffee strong her whiskey neat and her wine chilled and when it comes to sports hockey is the only thing that matters Lisa currently lives in Maryland with her husband and two sons who are mostly sorta kinda out of the house one very spoiled Border Collie two cats with major attitude several head of cattle and entirely too many chickens to count When she s not busy writing or chasing animals she s cheering loudly for her favorite hockey team the Washington Capitals or going through withdrawal and waiting for October to roll back around For more information please visit www.LisaBKamps.com **Break Away** Lisa B. Kamps,2015-12-09 Jean Pierre JP Larocque is a speed demon for the Baltimore Banners He lives for speed off the ice too playing fast and loose with cars and women But is he really a player or is his carefree exterior nothing more than a show hiding a lonely man filled with regret as he struggles to forget the only woman who mattered Emily Poole thought she knew what she wanted in life but everything changed five years ago Now she exists day by day helping care for her niece after her sister s bitter divorce It may not be how she envisioned her life but she s happy Or so she thinks until JP re enters her life Now she realizes there s a lot more she wants including a second chance with JP Can these two lost souls finally find forgiveness and Break Away to the future Or will the shared tragedy of their past tear them apart for good this time **Playmaker** Lisa B. Kamps,2016-01-15 Derek Caulton is well known for his exceptional speed and skill on the ice His natural ability to read the game and create scoring chances has made him a valuable playmaker for the Baltimore Banners but his skill off the ice is a little different Coming from a world of privilege with a devilish charm and fun loving spirit responsibility isn t something Derek s ever had to worry about And he s not accustomed to working for what he wants That all changes after a single encounter with Bridget Lloyd Fiercely independent and entirely too outspoken Bridget learned early in life how to work and fight for what she wants After struggling with the loss of her mother at an early age she s worked her way through college with the goal of becoming a social worker who specializes in working with children As a member of the Banner s Ice Crew she s familiar with Derek s play on and off the ice and wants nothing to do with the irresponsible fun loving player until a minor accident throws them

together Can a one night encounter really change the course of two lives And when the tables are turned can one stubborn woman teach the fun loving playmaker that responsibility isn't a four letter word and sometimes it's what happens behind the scenes that matters most Playing To Win Lisa B. Kamps, 2017-03-21 Jason Emory has one motto play hard love hard and win at all costs It doesn't matter if he's on the ice or playing the field his only goal is to win For a life goal it sounds pretty good So why does he feel like he's drifting aimlessly instead of having the world at his feet At least that's what it feels like until a hot night with a beautiful stranger who seems oddly familiar a stranger he can't forget Megan Bradley loves working at her parents bar Why shouldn't she when that gives her a chance to see her long time crush up close and personal Not that Jason knows who she is Why would he when she's nothing more than a modern day ugly duckling swimming in a sea of glittering swans At least until her best friend hatches a plan for an extreme makeover All she wants is one night to never forget but sometimes getting what you want isn't what you need Can she walk away from the connection that should have never happened And what happens when it's time to face the truth especially when she realizes that one sexy hockey player will stop at nothing when it comes to winning On Thin Ice Lisa B. Kamps, 2016-07-25 Kenny Haskell's hard work and determination finally paid off last season when The Baltimore Banners called him up from the minors That doesn't mean the quiet defenseman is willing to stop proving himself Each day is a new fight a new opportunity to prove to his coaches to his team and to himself that he belongs with the Banners Kenny is convinced he'll be able to keep his head in the game with no problems until he gets thrown out of a youth hockey game by one unforgiving ref who proves to be more of a distraction than he anticipates Lauren Gannon approaches life with a single successful mindset take no prisoners never give up and always rely on yourself At least that's what she likes to think The last year has been a little different Being saddled with her younger sister who refuses to grow up and take responsibility for anything is turning Lauren's world into one crazy disaster after another The last thing she needs to deal with is a professional hockey player who's too attractive for his own good or for her sanity The one thing Lauren has learned in life is to never underestimate the unexpected and falling for Kenny definitely fits into that category Can they really be friends and lovers Kenny does his best to prove they can But when a sudden family obligation forces Lauren to choose between what she knows is right and what she thinks is expected will she find herself skating on thin ice and risking the happiness she really wants **One-Timer** Lisa B. Kamps, 2016-12-26 For Dillon Frayser a rising star for The Baltimore Banners hockey team life has come easy A solid childhood a happy family a natural talent for playing the game he loves The only thing missing is the degree he promised his parents he would get soon after he was drafted If he could just force himself to focus on carbon atoms and organic chemistry he wouldn't have to worry about squeezing in embarrassing tutoring sessions between a busy schedule filled with practices and games Maggie Andersen dreads meeting her new student but she needs the money that tutoring will provide That doesn't mean she's willing to put up with the anticipated antics of an arrogant brainless jock When she finally meets Dillon he turns out to be the exact opposite

of what she expected smart funny driven and humble Maggie soon finds herself letting her guard down and discovering a different kind of chemistry Will the tutoring sessions lead to something more for the mismatched pair Or is this nothing more than a one timer for the sexy hockey player **Shoot Out** Lisa B. Kamps,2016-05-30 Sometimes it takes a sinner Nicole Taylor has been fighting to get on the right side of the tracks all her life but never as hard as the last two years Finally free from an abusive relationship her focus is on looking forward Her first step in that direction A quick get away to immerse herself in her photography and a steamy encounter with a gorgeous green eyed stranger To love a saint As a forward for The Baltimore Banners shooting fast and scoring often is just part of the game for Mathias Mat Herron Off the ice is a different story and this off season he has a different goal in mind do whatever it takes to rid himself of the asinine nickname he was recently given by some of his teammates An encounter with a beautiful stranger helps him do just that And life to teach them both what s important When reality collides with fantasy will passion be enough to see them through Or will it take a shoot out of another kind to show them what matters most Delay of Game Lisa B. Kamps,2016-02-22 Valerie Michaels knows all about life responsibility and hockey After all her brother is a defenseman for the Baltimore Banners The last thing she needs or wants is to get tangled up with one of her brother s teammates She doesn t have time not when running The Maypole is her top priority She opened the popular sports bar and restaurant two years ago and has been busy ever since Maybe too busy Could that be the reason she s suddenly drawn to the troubled Justin Tome Or is it because she senses something deeper inside him something she thinks she can fix On the surface Justin Tome has it all a successful career with the Banners money fame But he s been on a downward spiral the last few months He s become more withdrawn his game has gone downhill and he s been drinking too much He thinks it s nothing more than what s expected of him nothing more than once again failing to meet expectations and never quite measuring up Then he starts dating Val and realizes that maybe he has more to offer than he thinks Or does he Sometimes voices from the past voices you ve heard all your life are too strong to overcome And when the unexpected happens Justin is certain he s looking at a permanent Delay of Game unless one strong woman can make him see that life is all about the future not the past **Encyclopedia of Major Marketing Campaigns** Thomas Riggs,2000 An annual publication that profiles important marketing campaigns of the 20th century **The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces** ,1899 Chain Store Age ,1999 *Management Information Systems* R. Kelly Rainer,Brad Prince,Hugh J. Watson,2020-05-07 The 4e EMEA Edition of Management Information Systems promotes active learning like no other text in the market Each chapter is comprised of tightly coupled concepts and section level student activities that transport your students from passively learning about IS to doing IS in a realistic context **F & S Index United States Annual** ,2006 **USA Today Index** ,1994 *The Hockey News ... Yearbook* ,1998 **Chambers USA** Reita Ghosh,Paula Wasley,2003-04 The Washington Post Index ,1989 **ESPN Sports Almanac 2003** Michael Morrison,Gerry Brown,2002-11-29 The 1 bestselling sports almanac is the
