Matthews, 2025-09-20 What if your autoimmune illness isn t a permanent defect but a sacred signal Autoimmune disease is rising at an alarming rate Hashimoto s lupus psoriasis rheumatoid arthritis multiple sclerosis inflammatory bowel disease these conditions now affect tens of millions with conventional medicine offering lifelong suppression not real solutions This book proposes something radically

different. That autoimmune illness is not a random malfunction but a breakdown in rhythm, clarity, and communication between the body, the soul, and time itself. *Fasting Against Autoimmune Disease* presents a groundbreaking framework where fasting is not starvation but sacred repair. Rooted in the science of immunology, autophagy, gut restoration, and mitochondrial healing, yet guided by ancient Daoist wisdom, this book reframes illness as an intelligent response to overload, distortion, and forgotten selfhood. You'll learn Why autoimmune illness often arises in those who carry too much, feel too much, and endure too long. How modern life fragments circadian immunological and hormonal balance. Why fasting resets the immune system through rhythmic silence, not aggression. The truth about the gut-immune-brain axis and how fasting repairs the terrain. Why autoimmune flares may be your body's cry to remember who you are. Inside are clear practical fasting protocols for Hashimoto's hypothyroidism and hormone dysregulation, Lupus, rheumatoid arthritis, and inflammatory pain. Psoriasis, eczema, and skin-based flares. Crohn's ulcerative colitis and leaky gut. Long COVID, post-viral fatigue, and immune confusion. And sensitive cases needing adaptive, gentle approaches. You'll also discover How Shen spirit and Wei Qi immune field are connected. Why emotional boundaries matter as much as dietary ones. How to reintroduce food without collapsing your healing. Breathwork, qi gong, and rituals for immune harmony. How to live the immune Dao, the daily rhythm of sovereignty. Whether you're newly diagnosed or decades deep in autoimmune struggle, this book will help you see your condition not as a curse to fight but as a path to walk with clarity, power, and peace. This is not a book about what to fear. It's a book about what to remember. From the author of the *Fasting Against* series, including *Fasting Against Cancer*, *Fasting Against Diabetes*, and *Fasting Against Heart Disease*, this volume brings together ancient medicine, modern science, and spiritual insight to offer a new path forward, one that begins in emptiness and leads back to wholeness. Lose the Emotional Baggage Robert Dave Johnston, 2014-09-21 This book is Volume 5 of the series *How To Lose Weight Fast And Renew The Mind Body*. The world is getting crazier and crazier, and as such, our lives are becoming more stressful, full of demands and activities while uncertainty looms in the back of our minds. Am I going to make it? For how much longer can I take this pain? If you have been suffering, be it from depression, the loss of a loved one, a downturn in your economy, or anything else, I am here to tell you that there IS a POWER that can take your whole life in His hands, heal you, restore you, rejuvenate you, and fill you with fresh hope and optimism. I don't tell you these things because I saw a movie I share with you because I myself was in the dark corner of isolation, hopelessness, deep grief, despair. I felt as though I had a knife stuck to my chest all day every day from the moment I got up. I'll talk much more about that on my upcoming book on depression. Needless to say, while at times it may look bleak, there IS hope for inner healing and restoration so that you can once again feel the peace and joy that is rightfully yours. If there are wounds in your heart that you've carried for years, the kind of wounds that inflict ongoing emotional pain, I am here to tell you that I love you, I understand you, and I am right here with you. Even better, over the years of fasting and spiritual growth, me and my mentor, John Benitez, may

he rest in peace put together a very powerful program of recovery for those of us who hurt I m not going to bombard you with a lot of religion I will speak to you in spiritual terms that you will understand without feeling like you are being preached at I hate that Fasting is a powerful way to lose lots of weight quickly and help the body heal and detoxify In addition fasting opens the doors to the invisible world of the soul and subconscious mind which when harnessed correctly can help you to experience deep emotional healing as well as spiritual revelation and understanding In Lose The Emotional Baggage Transform Your Mind Spirit With Fasting I take you step by step through the Ultimate Freedom Formula which helped me to find healing from more than 20 years of crippling depression and binge eating disorder If you struggle with recurring negative emotions and destructive behaviors and or addictions then this book gives you a practical and effective formula that will allow you to tap into the huge invisible power that fasting always provides The material is presented in a straightforward non religious format so you will be able to carry out the formula even if you have no spiritual beliefs and are an agnostic If you can maintain an open mind and become willing to simply observe the possibility that maybe there is something to this fasting practice then that is more than enough to crack the door open just enough receive tremendous transcendental benefit Welcome to a place where the impossible becomes possible May you receive your healing and may your life be filled with power joy and a peace beyond understanding
