**Miriam Schwellnus**

## **Michael Jackson Interview With Barbara Walters:**

Michael Jackson's Radical Aesthetic Willa Stillwater, 2025-12-29 This two volume work encourages students fans and scholars to take an expansive view of Michael Jackson's art. Focusing on his films which it approaches as exquisite works of art as well as a theoretical framework for interpreting his other work it demonstrates the depth and scope of his art and its far reaching cultural significance. Specifically it demonstrates how Jackson engaged in a sophisticated process of telling untelling and retelling entrenched cultural narratives that perpetuate prejudice and how he modified affective responses to racial signifiers and other marks of difference. In this way Jackson confronted prejudice more profoundly than any other American artist in recent memory. This work also takes a detailed look at the allegations of child sexual abuse. These were so shattering for Jackson both personally and creatively that his life and career divide into two parts a division reflected in the two volume structure of this work. Volume One focuses on Jackson's early films followed by analysis of the allegations including historical factors that may have influenced how the police press and public reacted. Volume Two then focuses on the art Jackson created in response including some of the most poignant political and significant work of his career. Volume Two also looks at evolving perceptions of Jackson's face and persona approaching them as revolutionary yet deeply troubling works of art works that became even more unsettling as Jackson wrestled with the intense emotions unleashed by the abuse allegations. It posits that popular perceptions of Jackson's face and persona were illusions that performed critically important cultural functions and that Jackson himself the man behind the illusion was a trickster artist. It concludes that Jackson was the most important American artist of our time and that his face was his masterpiece. However it only arrives at these conclusions after careful analysis of his films. It's through his films that Jackson articulates his aesthetic. Therefore it's his films that make his face legible.

**The Millennial and the King** Miriam Schwelb, 2025-03-17 Would you rather believe a comfortable lie or the messy truth? *The Millennial and the King* is a sharp self-aware and darkly funny reckoning with the power of narratives how they protect the powerful pacify the public and shape our personal lives in ways we rarely admit. Told through the eyes of a fan turned legacy detective this book unravels the most successful public relations campaign in pop culture history the mythmaking of Michael Jackson. From the highs of *Thriller* to the lows of courtroom scandal from teenage adoration to adult criticism the author takes one last ride through the King of Pop's carefully curated kingdom in search of the truth. Part media autopsy part midlife reckoning part PR masterclass this genre-blurring literary collage explores our hunger for stories even when they serve someone else's agenda. *The Millennial and the King* zigzags between personal essay cultural analysis and anecdotal memoir parodying 90s movies YouTube shows and the absurdity of fandom. Using AI while it's still cute the two protagonists even meet for an interview that transcends time reality and probably ethics. For anyone who's ever gone to battle for their hero only to find themselves on the wrong side of history *The Millennial and the King* is a reminder that some stories are designed to entertain and others are designed to control.

**Michael Jackson, the King of Pop** Jel D. Lewis Jones, 2005 Written by a true fan this internationally bestselling book chronicles Michael Jackson's interviews with such major talk show hosts and leading magazines as Oprah Winfrey Dianne Sawyer Barbara Walters USA Today and Vibe Magazine Includes lists of his songs lyrics and films 16 page color insert

**Protecting Our Own** Katheryn Russell-Brown, 2006 Inspired by the O J Simpson case Protecting Our Own explores the reasons behind the rise of the black protectionism phenomenon and its implications for the future Comparing the plight of the African American community to the melancholy lyrics but vibrant beat of the blues Russell Brown uses the lyrics of these songs to paint a vivid picture of the African American community struggling through the burdens of racial oppression such as second tier status and lynchings solely due to the color of their skins Russell Brown explains the feelings of protectionism towards African American celebrities as many African Americans feel that they have to protect their own because no one else will Many African Americans Russell Brown argues feel that African American are still under siege and that the few lucky African Americans who find a way into the spotlight deserve a break However with more

and more African Americans in the spotlight this practice has new consequences Protecting Our Own considers these issues in detail The book sets out to accomplish three goals to define Black protectionism to explain how it works and how it can be reformulated to work in the best interests of the African American community The book uses cases such as the infamous O J Simpson case to illustrate and explain the motivations behind black protectionism even if the defendant is accused of grievous moral and ethical wrongdoing Russell Brown criticizes the use of black protectionism as a knee jerk reaction and expresses the need to hold African American celebrities accountable for their misdeeds She suggests a selective approach to black protectionism that will benefit the African American community at large rather than just a lucky few This book praises black protectionism at its best a fight that will ensure racial justice in the future *Elvis Culture* Erika Doss,1999 Doss fine arts and American studies U of Colorado Boulder examines the image of Elvis from a number of perspectives including as a religious icon honored in household shrines as a sexual fantasy for women and men as an inspiration for impersonators as a not altogether positive emblem of whiteness for many blacks and as a commodity to be protected by Elvis Presley Enterprises Bandw illustrations Annotation copyrighted by Book News Inc Portland OR
