Herbert King, 2022-03-23 The Modern Day Star Maker Tik Tok Social media entertainment is today's watchword What started humbly in 2006 with Youtube has now proliferated into multiple global networking and marketing sites When Tik Tok entered the niche many of them were performing extremely well on the stage In that context Tik Tok performed admirably well Consider a new plant sowed on an unknown land becoming a giant tree full of bloom supporting life and sustaining others in its neighborhood Well the analogy may not seem too strange when Tik Tok's performance is surveyed Like the tree that I talked about Tik Tok not only supported earnest and interested newcomers in their endeavors but it actually helped them to become famous Its unique algorithm enabled them to display their creation to the world The audience noticed two things about the performances The performers were no celebrities they were their own boys and girls whom the world did not know anything about even a few days back What they showed in their videos was not too difficult to understand The language of humor sometimes funny sometimes satirical is easy to understand They portrayed their daily lives It was surprising how in the midst of a depressing pandemic they could retain and distribute their sense of humor Perhaps they too were waiting for a platform like Tik Tok to show the world what is the new concept of entertainment But Tik Tok also helped them to earn and sometimes more than their expectations Indeed it became a new avenue for alternate careers to many
