Action Breakout Mahesh Chandra Kaushik,2025-03-04 Everything depends on your ability to identify a stock based on its price movement before it makes a 5 10 15 20% move whether it is about to rise or fall This is called Price Action Movement Just like how before sunrise the darkness of the night begins to fade and a reddish hue spreads across the sky signalling the arrival of the sun price action gives early indications of a stock's movement However in today's world constant exposure to short video reels and statuses has reduced people's ability to focus Many now struggle to read even for 30 seconds without skipping ahead hoping to find a quick shortcut to mastering trading Consider it a sacred opportunity that this book has reached your hands Do not treat it as just another book instead read it with complete faith and respect absorbing each page carefully Even if you read just one or two pages daily ensure that you fully understand and internalise the concepts before moving forward This is not just a book it is a practical and authentic guide that reveals the secrets of success in the stock market *Automotive News* ,2007 *The New York Times Index* ,2008

The transHuman Code Carlos Moreira,David Fergusson,2019-06-04 A Humanitarian Approach to a Technologically Innovative Future In The transHuman Code authors Carlos Moreira and David Fergusson ask Are we building a better future for humanity with the help of magnificent technology or are we instead building a better future of better technology at the expense of humanity We must learn to put humanity first instead of getting caught up in the promise of technological advancement Humans have been able to adapt morph and compromise in every situation we have faced over the centuries and have been able to maintain dominance We must approach the promises of technology with the same adaptability What the authors propose is that if we start the design of the transHuman future from a human perspective making sure that technology will inspire revolution or evolution then we can ensure humanity continues to thrive The transHuman Code tries to center humanity in the emerging tension between a human controlled or a machine controlled world Moreira and Fergusson examine how humans can maintain the uniqueness and the humanity in this brave new world *Adweek* ,2007 Vols for 1981 include four special directory issues
