**Emergency Department Compliance Manual** Rusty Mcnew,2013-01-23 Emergency Department Compliance Manual 2013 Edition provides everything you need to stay in compliance with complex emergency department regulations. The list of questions helps you quickly locate specific guidance on difficult legal areas such as Complying with COBRA, Dealing with psychiatric patients, Negotiating consent requirements, Obtaining reimbursement for ED services, Avoiding employment law problems, and Emergency Department Compliance. The Manual also features first hand advice from staff members at hospitals that have recently navigated a Joint Commission survey and includes frank and detailed information. Organized by topic, it allows you to readily compare the experiences of different hospitals. Because of the Joint Commission's hospital wide function based approach to evaluating compliance, it's been difficult to know specifically what is expected of you in the ED. Emergency Department Compliance Manual includes a concise grid outlining the most recent Joint Commission standards which will help you learn what responsibilities you have for demonstrating compliance. Plus, Emergency Department Compliance Manual includes sample documentation that hospitals across the country have used to show compliance with legal requirements and Joint Commission standards. Age related competencies, Patient assessment policies and procedures, Consent forms, Advance directives, Policies and protocols, Roles and responsibilities of ED staff, Quality improvement tools, Conscious sedation policies and procedures, Triage, referral and discharge policies and procedures, And much more. Emergency Department Compliance Manual has been updated to include new and updated legal and regulatory information affecting your ED, including Updated questions and answers covering such topics as Physician Payment Sunshine Act requirements, What a HIPAA audit involves, Joint Commission requirements for patient centered communication, Joint Commission requirements for the use of scribes, Hospitals response to uncompensated emergency department care, Factors including drug shortages that affect patient safety, Joint Commission requirements to manage patient flow, The Supreme Court decision's impact on health care reform, Fraud and abuse updates, OIG reassignment alert, Stage 2 meaningful use requirements, Affordable Care Act summary of health plan benefits and coverage, SBC requirements, Hospital value based purchasing update, Medicare Shared Savings Program requirements, New Joint Commission survey questions and answers, Updated sections on hospital accreditation standards, New and updated forms, policies and other reference materials to facilitate compliance, including Memorandum of Understanding Regarding Reciprocal Lateral Transfer, Sample Lateral Transfer into Hospital, Transfer Process, Commonly Abused Prescription Drugs, Medication Use Agreement, ED Director's Weekly Wrap Up Report, Staff Communication Template, Staff Meeting Safety Triggers, ED Registered Nurse Clinical Ladder Program, ED Registered Nurse Clinical Ladder Program Expectations, Criteria for Each Dimension, ED Nursing Education File Checklist, ED New Hire Plan, Extra Shift Bonus Policy, Guidelines for Extra Shift Bonus Pay, ED Overtime Justification, ED Communication Checklist, ED Downtime Track.
