## Nicolas Spanish Edition:

*Catalogue of the Spanish library and of the Portuguese books bequeathed by George Tiknor to the Boston Public Library* James L. Whitney, 1879      *Multilingual Texts and Practices in Early Modern Europe* Peter Auger, Sheldon Brammall, 2023-02-15 This collection offers a cross disciplinary exploration of the ways in which multilingual practices were embedded in early modern European literary culture opening up a dynamic dialogue between contemporary multilingual practices and scholarly work on early modern history and literature The nine chapters draw on translation studies literary history transnational literatures and contemporary sociolinguistic research to explore how multilingual practices manifested themselves across different social cultural and institutional spaces The exploration of a diverse range of contexts allows for the opportunity to engage with questions around how individual practices shape national and transnational language practices and literatures the impact of multilingual practices on identity formation and their implications for creative innovations in bilingual and multilingual texts Taken as a whole the collection paves the way for future conversations on what early modern literary studies and present day multilingualism research might learn from one another and the extent to which historical texts might supply precedents for contemporary multilingual practices This book will be of particular interest to students and scholars in sociolinguistics early modern studies in history and literature and comparative literature      Official Gazette Philippines, 1916      Annals of the Artists of Spain William Stirling Maxwell, 1891      **Annals of the artists of Spain** Sir William Stirling Maxwell, 1891      *The Unseen History of International Law* Mark Somos, Matthew Cleary, Pablo Dufour, Edward Jones Corredera, Emanuele Salerno, 2025-04-30 The Unseen History of International Law locates and describes almost one thousand surviving copies of the first nine editions of Hugo Grotius *De iure belli ac pacis* IBP published between 1625 and 1650 Meticulously reconstructing the publishing history of these first nine editions and cataloguing copies across hundreds of collections The Unseen History provides fundamental data for reconstructing the impact of IBP across time and space It also examines annotations that thousands of owners and readers have left in IBP copies over four centuries offering original insights into the development of international law Grotius *De iure belli ac pacis* has been commonly regarded as the foundation of modern international law since its first appearance in 1625 Most major international law scholars have engaged with IBP often owning and richly annotating their own copies At key moments including the demise of the Holy Roman Empire the fall of Napoleon and the end of both world wars IBP was reissued with new commentaries by multinational projects devoted to restarting the international order Despite the enormous literature on IBP's reception and influence we cannot fully understand its impact without uncovering the history of IBP as a physical object with hundreds of thousands of unpublished annotations arguing or agreeing with the text updating and adapting its contents Approaching Grotius seminal work as a physical vehicle of the author's the publishers owners and readers engagement The Unseen History radically expands and revises our understanding not only of IBP but also of the academic discipline and lived practice

of modern international law over the last four centuries In addition to delving into the first nine editions printing history descriptive bibliography and both Grotius and the publishers marketing and donation strategies the book explores Grotius subsequent impact on pro slavery and abolitionist litigation as a case study of how the census original findings can be applied to specific areas of reception *Catalogue of the Library of Henry C.Murphy* ,1884 *Book Censorship in New Spain* Dorothy Schons,1949 Catalogue of Printed Maps British Museum.
