## **Nicole Edwards Never Say Never:**

**Never Say Never** Nicole Edwards, 2015-08-18 Ryan Trexler has devoted his entire life to his family's security business. And now that he's slated to take over the reins for the company, RT knows that his life is only going to get more complicated. Add in the fact that he's lusting over one of the men who works for him, and RT knows that there are some serious tough times ahead. Zachariah Tavoularis, nicknamed Z, has been employed by Sniper 1 Security for a decade. Despite being known as the most loyal enforcer outside of family Z, he also has a reputation of being quite the playboy, though that was based more on rumor than fact. When an assignment comes up that forces the two of them to work together, Z knows it's time to show RT he's not the man he thinks he is. Can they complete the mission despite the fact that it puts them in a tenuous situation, bringing them closer than either of them ever expected? And will Z allow RT to convince him that they can never be together, no matter how much they both want it?

**Beau** Nicole Edwards, 2018-10-23 THEIR LOVE IS UNDENIABLE. Happily married for four and a half years, Beau and Ethan Walker are ready for the next phase in their lives. They want what so many people dream of: a baby. THEIR COMMITMENT IS UNWAVERING. Expanding their family with a tiny bundle of joy isn't as easy for them as it is for the rest of the Walker clan. However, they have options, and they're willing to do what it takes because they've learned that the things worth fighting for aren't always easy, but they are definitely worth it. THEIR STRENGTH WILL BE TESTED. Despite their deep desire and their endless efforts to start a family, there are outside forces working against them. Some they can see, others they can't. Every step forward seems to take them two steps back. Only during their darkest moments do Beau and Ethan realize their true strength comes from the most important things they have: love, family, and each other. BEAU is the sequel to ETHAN: Alluring Indulgence 5. While it can be read as a standalone since it occurs nearly five years after Beau and Ethan are married, it is recommended that you read ETHAN to understand the true strength of these two men and the infallible bond of the Walker family. *Paperbound Books in Print*, 1991. **The Simpson Trial in Black and White** Tom Elias, Dennis Schatzman, 1996.
