It emphasizes artistic dispositions over pedagogical methods promoting critical and creative thinking effective communication and goal setting for both teachers and students.

Uniting the Liberal Arts: Core and Context Association for Core Texts and Courses. Conference,2002-01-30 Uniting the Liberal Arts Core and Context is a selection of essays presented or further developed from the 1999 Association of Core Texts and Courses conference in New Orleans focusing on a few of the vertices or vortices where an intensified sense of the interplay between the ways of knowledge may be glimpsed or a memorable moment in the past when all briefly achieved a greater congruity may be revived for new consideration. These essays fall into an organization according to the major scheme
