## Nightingale Wood A Novel:

Nightingale Wood Stella Gibbons, 2011-02-17 Gibbons is superb on middle class life SAM JORDISON GUARDIAN A sharp edged romantic comedy we have a chance to see what we've been missing DAILY MAIL What luxury to stumble upon this quirky book and the fascinating modern woman who wrote it SOPHIE DAHL Life is not quite a fairytale for poor Viola Left penniless the young widow is forced to live with her late husband's family in a joyless old house There's Mr Wither a tyrannical old miser Mrs Wither who thinks Viola is just a common shop girl and two unlovely sisters in law one of whom is in love with the chauffeur Only the prospect of the charity ball can raise Viola's spirits especially as Victor Spring the local prince charming will be there But Victor's intentions towards our Cinderella are in short not quite honourable **The Secret of Nightingale Wood** Lucy Strange, 2016-10-06 1919 Henry moves to the countryside with her family scarred by her brother's untimely death Her only friends are characters from her favourite books until one day she wanders into the woods and meets Moth a striking witch like woman Together they form a bond that could help Henry save her family and overcome her grief **Domestic Modernism, the Interwar Novel, and E.H. Young** Chiara Briganti, Kathy Mezei, 2016-12-05 Domestic Modernism the Interwar Novel and E H Young provides a valuable analytical model for reading a large body of modernist works by women who have suffered not only from a lack of critical attention but from the assumption that experimental modernist techniques are the only expression of the modern In the process of documenting the publication and reception history of E H Young's novels the authors suggest a paradigm for analyzing the situation of women writers during the interwar years Their discussion of Young in the context of both canonical and noncanonical writers challenges the generic label and literary status of the domestic novel as well as facile assumptions about popular and middlebrow fiction canon formation aesthetic value and modernity The authors also make a significant contribution to discussions of the everyday and to the burgeoning field of homeculture as they show that the fictional embodiment and inscription of home by writers such as Young Virginia Woolf Elizabeth Bowen Ivy Compton Burnett Lettice Cooper E M Delafield Stella Gibbons Storm Jameson and E Arnot Robertson epitomize the long standing symbiosis between architecture and literature or more specifically between the house and the novel **Secret of Nightingale Wood** Lucy Strange, 2016-10-06 1919 Mama is ill Father has taken a job abroad Nanny Jane is too busy to pay any attention to Henrietta and the things she sees or thinks she sees in the shadows of their new home Hope House All alone with only stories for company Henry discovers that Hope House is full of strange secrets a forgotten attic ghostly figures mysterious firelight that flickers in the trees beyond the garden One night she ventures into the darkness of Nightingale Wood What she finds there will change her whole world *320 rue St Jacques* Wendy Michallat, 2018-08-31 In November 1939 Madeleine Blaess a French born British raised student set off for Paris to study for a doctorate in Medieval French literature at the Sorbonne In June 1940 the German invasion cut off her escape route to the ports preventing her return to Britain She was forced to remain in France for the duration of the

Occupation and in October 1940 began to write a diary. Intended initially as a replacement letter to her parents in York she wrote it in French and barely missed an entry for almost four years. Madeleine's diary is unique as she wrote it to record as much as she could about everyday life, people and events so she could use these written traces to rekindle memories later for the family from whom she had been parted. Many diaries of that era focus on the political situation. Madeleine's diary does reflect and engage with military and political events. It also provides an unprecedented day by day account of the struggle to manage material deprivation, physical hardship, mental exhaustion and depression during the Occupation. The diary is also a record of Madeleine's determination to achieve her ambition to become a university academic at a time when there was little encouragement for women to prioritise education and career over marriage and motherhood. Her diary is edited and translated here for the first time.

*Our Castle by the Sea* Lucy Strange, 2019-04-30. In this haunting and compelling follow up to *The Secret of Nightingale Wood* Lucy Strange takes a seafaring myth and grounds it in the stark reality of World War II. Growing up in a lighthouse 11 year old Pet's world has been one of storms, secret tunnels and stories about sea monsters. But now the country is at war and the cliff tops are a terrifying battleground. Pet will need to muster all her bravery to uncover why her family is being torn apart. This is the story of a girl who is afraid and unnoticed. A girl who freezes with fear at the enemy planes ripping through the skies overhead. A girl who is somehow destined to become part of the strange ancient legend of the Daughters of Stone.
