## **Nine Commentaries On The Communist Party:**

*Nine Commentaries on the Communist Party*, 2015-02-04 *Nine Commentaries on the Communist Party* was published amidst one of Chinese Communist Party's most brutal persecution against the 100 million practitioners of Falun Gong in China. When loved ones and witnesses see innocent meditators behind bars tortured and harvested for their organs it is hard to stand on the sideline. That is why so many Chinese people and those sympathetic to the cause are doing one thing they know they can do: Spread the word, quit the Party.

***Nine Commentaries on the Communist Party***, 2004 *Nine Commentaries on the Communist Party* The Epoch Group, 2004. This groundbreaking book is systematically dismantling the Chinese Communist Party (CCP). It is a final verdict on the CCP that has been rapidly spreading in China. During the CCP's 80-year history, its lies, dictatorship, various political movements, and crackdowns have wreaked unprecedented havoc on the land of China and caused irreversible damage to China's traditional moral values. In today's China, under the CCP's violent and despotic rule, social tensions are dangerously high and crises are appearing in succession. The Chinese communist regime is seated on an active volcano that may erupt at any moment. The *Nine Commentaries* have posed the greatest challenge to the CCP's ideology since the party was established. The book has struck a chord deep in the hearts of many Chinese people in China and around the world. It is poised to be a major part in the rebirth of the nation's soul.
